

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

DOL is seeking Office of Management and Budget (OMB) approval to collect data on the costs and usage of Workforce Investment Act (WIA) and Wagner Peysner services that do not require registration. The data are necessary to inform budget decisions and for the WIA reauthorization process. The data will consist of information already collected by state and local workforce development staff for their own management purposes and data collected from a probability sample of persons using self-service facilities. The principal goal of the data collection is to develop a national estimate of the number of job seekers who use informational, self, or staff facilitated

services that do not require registration in primary One-Stop programs.

DEPARTMENT OF LABOR

Employment Standards Administration

Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection

requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the following information collection: Housing Occupancy Certificate—Migrant and Seasonal Agricultural Worker Protection Act.

DATES: Written comments must be submitted to the office listed in the addressee section below within March 18, 2002.

ADDRESSES: Ms. Patricia A. Forkel, U.S. Department of Labor, 200 Constitution Ave., NW, Room S-3201, Washington, DC 20210, telephone (202) 693-0339 (this is not a toll-free number), fax (202) 693-1451, EMail pforkel@fenix2.dol-esa.gov.

SUPPLEMENTARY INFORMATION:

Background

Section 203(b)(1) of the Migrant and Seasonal Agricultural Worker Protection

Act (MSPA), and § 500.135(b) of Regulations, 29 CFR part 500, provide that any person who owns or controls a facility or real property to be used for housing migrant agricultural workers must obtain and post on site, a certificate of occupancy from the State, local, or Federal agency which conducted the housing safety and health inspection. The WH-520 is a form used to gather information to determine whether or not the facility meets the applicable safety and health standards, and also serves as the certificate of occupancy.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

The Department of Labor seeks approval for the extension of this information collection in order to inspect and certify a migrant housing facility as meeting applicable safety and health standards under the law.

I. Background

The purpose of the collection of this information is to evaluate the sanitary features of manufactured toilets for use at coal mines. Protecting the health of miners is a vital function of the agency. Proper environmental sanitation is necessary to protect coal miners from illnesses that can be transported by human waste and also needed to maintain equalization of working conditions with other occupational groups.

II. Desired Focus of Comments

Currently, the Mine Safety and Health Administration (MSHA) is soliciting comments concerning the proposed reinstatement of the information collection related to the Approval of Sanitary Facilities at Coal Mines. MSHA is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

A copy of the proposed information collection request may be viewed on the Internet by accessing the MSHA Home Page (<http://www.msha.gov>) and selecting "Statutory and Regulatory Information" then "Paperwork Reduction Act submission (<http://www.msha.gov/regspwork.htm>)", or by contacting the employee listed above in the **FOR FURTHER INFORMATION CONTACT** section of this notice of a hard copy.

III. Current Action

The agency feels that the information is necessary for the continuing evaluation of applications under the standards. No revisions or new proposals are included.

Type of Review: Reinstatement.
