#### Draft Recommendations for Implementing EPA's Public Involvement Policy

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice.

**SUMMARY:** EPA seeks public comment on the 12-page document "Draft Recommendations for Implementing EPA's Public Involvement Policy." The document recommends specific EPA actions to enhance adoption of the Agency's Public Involvement Policy by EPA staff and managers. EPA published its Draft 2000 Public Involvement Policy in the **Federal Register** in December, 2000 (65 FR 82335, Dec. 28, 2000) and is currently writing the final policy and response to comments, both of which will be released in the Spring of 2002. The recommended implementation actions include: creating a communication network and mechanisms that allow EPA staff to exchange public involvement information; creating an electronic database that includes public involvement training opportunities, case studies and other helpful resources; providing public involvement training to EPA staff and managers; developing evaluation measures and tools to measure the effectiveness of EPA's public involvement activities; and evaluating the Agency's adoption of the Public Involvement Policy over time. EPA seeks public comment on this document for 60 days following publication on EPA's web page and notice in the **Federal Register**. After reviewing public comments, EPA will begin implementing many of these recommended activities. The revised document will be issued along with the Final Public Involvement Policy in the Spring of 2002. The draft

recommendations document and future updates will be posted on the Agency's Web site at <http://www.epa.gov/stakeholders>.

**DATES:** Comments will be accepted until March 18, 2002.
