For teleconference meetings, opportunities for oral comment will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total. Deadlines for getting on the public speaker list for a meeting are given above. Speakers should bring at least 35 copies of their comments and presentation slides for distribution to the reviewers and public at the meeting. **Written Comments:** Although the SAB accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office at least one week prior to the meeting date so that the comments may be made available to the committee for their consideration. Comments should be supplied to the appropriate DFO at the address/contact information noted above in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: WordPerfect, Word, or Rich Text files (in IBM-PC/Windows 95/98 format). Draft Recommendations for Implementing EPA's Public Involvement Policy

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: EPA seeks public comment on the 12-page document "Draft Recommendations for Implementing EPA's Public Involvement Policy." The document recommends specific EPA actions to enhance adoption of the Agency's Public Involvement Policy by EPA staff and managers. EPA published its Draft 2000 Public Involvement Policy in the **Federal Register** in December, 2000 (65 FR 82335, Dec. 28, 2000) and is currently writing the final policy and response to comments, both of which will be released in the Spring of 2002. The recommended implementation actions include: creating a communication network and mechanisms that allow EPA staff to exchange public involvement information; creating an electronic database that includes public involvement training opportunities, case studies and other helpful resources; providing public involvement training to EPA staff and managers; developing evaluation measures and tools to measure the effectiveness of EPA's public involvement activities; and evaluating the Agency's adoption of the Public Involvement Policy over time. EPA seeks public comment on this document for 60 days following publication on EPA's web page and notice in the **Federal Register**. After reviewing public comments, EPA will begin implementing many of these recommended activities. The revised document will be issued along with the Final Public Involvement Policy in the Spring of 2002. The draft

recommendations document and future updates will be posted on the Agency's Web site at <http://www.epa.gov/stakeholders>.

DATES: Comments will be accepted until March 18, 2002.
