

Accordingly, EPA is relying on its authority under 37 CFR 404.7(a)(1) to proceed without such notice of availability.

The proposed assignment will contain appropriate terms, limitations and conditions in accordance with the limitations and conditions of 35 U.S.C. 202(c)(4), 203 and 204, and where applicable to assignments, the limitations and conditions of 37 CFR 404.5 and 404.7 of the U.S. Government patent licensing regulations.

EPA will negotiate the final terms and conditions and execute the assignment, unless within 30 days from the date of this Notice, EPA receives, at the address below, written objections to the grant, together with supporting documentation. The documentation from objecting parties having an interest in practicing the above patent application should include an application for assignment or for an exclusive or nonexclusive license with the information set forth in 37 CFR 404.8. EPA's Grants Administration Division, the Director of the National Risk Management Research Laboratory, and other EPA officials will review all written responses and then make a recommendation to the EPA Patent Counsel who has been delegated the authority to transfer and assign patent rights on behalf of EPA.

DATES: Comments to this notice must be received by EPA at the address listed below by February 19, 2002.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-7130-2]

Benfield Industries Superfund Site; Notice of Proposed Settlement

AGENCY: Environmental Protection Agency.

ACTION: Notice; request for public comment.

SUMMARY: Under the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), the United States Environmental Protection Agency

("EPA") proposes to enter into a Prospective Purchaser Agreement ("PPA") regarding the Benfield Industries Superfund Site in Waynesville, Haywood County, North Carolina. EPA proposes to enter into the PPA with the party who purchases the property pursuant to a judgment sale conducted by the Haywood County Sheriff (the "Purchaser"). The PPA obligates the Purchaser to cooperate with any response actions EPA may take on the property, to grant EPA access for any such response actions, and to comply with specified institutional controls. Further, the PPA provides the Purchaser with a covenant not to sue from the United States for Existing Contamination on the property. The covenant is conditioned upon the Purchaser's fulfilling its obligations under the PPA. EPA will consider comments on the proposed PPA for thirty (30) days.

EPA may withdraw from or modify the proposed PPA should such comments disclose facts or considerations which indicate the proposed PPA is inappropriate, improper, or inadequate. Copies of the proposed settlement are available from: Ms. Paula V. Batchelor, U.S. Environmental Protection Agency, Region IV, Waste Management Division, 61 Forsyth Street, SW., Atlanta, Georgia 30303, 404/562-8887.

Written comments may be submitted to Ms. Batchelor at the above address within 30 days of the date of publication.

Dated: December 21, 2001.

Anita L. Davis,

Acting Chief, CERCLA Program Services Branch, Waste Management Division.
