

up to \$6 million each. The database projects funded at up to \$6 million each. The database maintained by Horizon Research, Inc. for LSC is designed to provide information on the total system, both for accountability and for judging effectiveness. For example, NSF is required to report for GPRA the number of teachers receiving NSF in-service and development support. This information is gathered through this recurring study of the LSC projects.

*Expected Respondents:* A total of 150 teachers and 55 principals from schools in each of the 72 LSC projects, for a total of 10,800 teachers and 3,960 principals participating in the LSC program.

*Burden On The Public:* 3,960 hours for teachers and 990 hours for principals per year.
