

these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange charges a monthly technology fee on its members and foreign currency options participants that are not also holding legal title to a Phlx membership. This charge of \$100.00 per month was instituted in March of 1997 at the rate of \$100.00 to cover system software modifications, specific systems development (maintenance) costs, increased costs associated with the Securities Industry Automation Corporation, and the Options Price Reporting Authority communication changes and ongoing system maintenance charges.³ Over the four and one half years since the technology fee was instituted, the complexity and expansion of the software and hardware, such as LANs, servers, and communications systems (both wireless and hardwired/tethered) has increased to serve the membership and the investing public. The Exchange's Board believes an increase to the technology fee is reasonable and necessary to support the ongoing efforts and deployment of technology on the trading floors to facilitate trading.

The technology fee was instituted to capture costs associated with system development costs associated with new risk management systems, order handling rule revisions, specialized quote feeds, and new products. Over the past four plus years, the Exchange's software and hardware systems have grown in order to process increased trading, resulting in more systems maintenance costs. The proposed increase in the technology fee is necessary to allow the Exchange to continue to operate its automated systems and compete with the other market centers in offering new technology features to facilitate trading.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁴ in general, and furthers the objectives of section 6(b)(4)

of the Act,⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(2) thereunder,⁷ as establishing or changing a due, fee, or other charge. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate, in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁸

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be

available for inspection and copying at the principal office of the Phlx. All submissions should refer to File No. SR-Phlx-2001-117 and should be submitted by February 14, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Margaret H. McFarland,

Deputy Secretary.
