Funding Availability

On December 6, 2001, NTIA announced in the **Federal Register**, 66 FR 235, that TOP was soliciting grant applications. The Notice of Solicitation of Grant Applications did not announce the amount of available funds because, at the time the Notice was drafted, a final appropriation for TOP was enacted into law. Except to note that funding for TOP is approximately \$12.4 million for grants in FY 2002, all other information announced in the Notice of Solicitation of Grant Applications remains in effect. In addition, the Guidelines for Preparing Applications—Fiscal Year 2002 were unchanged by the appropriations

legislation and should now be considered final.
