Ultramar Inc. Complainant, v. Calnev Pipe Line, L.L.C. Respondent; Notice of Complaint

January 23, 2002.

Take notice that on January 18, 2002, pursuant to Rule 206 of the Commission's Rules of Practice and Procedure (18 CFR 385.206) and the Procedural Rules Applicable to Oil Pipeline Procedures (18 CFR 343, *et seq.*), Ultramar Inc. (Ultramar) filed a Complaint and Motion for Consolidation in the above captioned proceeding. Ultramar alleges that Calnev Pipe Line, L.L.C. (Calnev) has violated the Interstate Commerce Act, 49 U.S.C. App. § 1, *et seq.*, by charging unjust and unreasonable rates for Calnev's jurisdictional interstate services associated with its lines originating at Colton in San Bernardino County, California, to stations at two interstate destinations in Clark County, Nevada, one at McCarran Field and the other at North Las Vegas as more fully set forth in the Complaint. To the extent that any of Calnev's rates may be deemed just and reasonable under § 1803 of the Energy Policy Act of 1992, Public Law 102-486, 106 Stat. 2776 (1992), Ultramar alleges that there has been a substantial change in the economic circumstances on which the rates are based.

Ultramar requests that the Commission: (1) Examine the challenged rates and charges collected by Calnev for its jurisdictional interstate services; (2) order reparations to Ultramar, including appropriate interest thereon, for the applicable reparation periods to the extent the Commission finds that such rates or charges were unlawful; (3) determine just, reasonable, and nondiscriminatory rates for Calnev's jurisdictional interstate service; (4) award Ultramar reasonable attorneys' and experts' fees and costs; and (5) order such other relief as may be appropriate.

Ultramar states that it has served the Complaint on Calnev pursuant to Rule 206 of the Commission's Rules of
