

management was aware of FC's ability to file a protective return for those years. In Year 11, an Internal Revenue Service examiner contacted FC and asked FC's chief financial officer for an explanation of its failure to file U.S. income tax returns after Year 6. FC immediately engaged a U.S. tax advisor and cooperated with the Internal Revenue Service in determining FC's income tax liability, for example, by preparing and filing the appropriate income tax returns for Year 7 through Year 10 and by making FC's books and records available to the examiner. FC did not present evidence that intervening events beyond FC's control prevented FC from filing a return, and there were no other mitigating factors. FC has not met the standard described in paragraph (a)(3)(ii) of this section for waiver of any applicable filing deadlines in § 1.882-4(a)(3)(i).

(iv) Paragraphs (a)(3)(ii) and (iii) of this section are applicable to open years for which a request for a waiver is filed on or after January 29, 2002.

(a)(3)(v) through (b)(2) For further guidance, see § 1.882-4(a)(3)(v) through (b)(2).

Robert E. Wenzel,

Deputy Commissioner of Internal Revenue.

Approved: January 4, 2002.
