Regulations governing permits for endangered species are at 50 CFR 17.22.

The Service has prepared the Environmental Assessment/Habitat Conservation Plan (EA/HCP) for the incidental take application. A determination of jeopardy to the species or a Finding of No Significant Impact (FONSI) will not be made until at least 30 days from the date of publication of this notice. This notice is provided pursuant to Section 10(c) of the Act and National Environmental Policy Act regulations (40 CFR 1506.6).

Applicants: Douglas and Debra Kelsay plan to construct a single-family residence, within 5 years, on approximately 0.5 acre of the 22.004-acre property on Hoffman Road, Bastrop County, Texas. This action will eliminate 0.5 acre or less of Houston toad habitat and result in indirect impacts within the lot. The Applicants propose to compensate for this incidental take of the Houston toad by providing \$2,000.00 to the Houston Toad Conservation Fund at the National Fish and Wildlife Foundation for the specific purpose of land acquisition and management within Houston toad habitat.
