

the Department of Justice, within 60 days from the date of this Memorandum, agency-specific recipient guidance that is consistent with Executive Order 13166 and the DOJ LEP Guidance, including the clarifications set forth in this Memorandum. In preparing their guidance, agencies should ensure that the action they propose to take is consistent with the requirements of the Administrative Procedure Act and Executive Order 12866. The Justice Department's Civil Rights Division, Coordination and Review Section, is available to assist agencies in preparing agency-specific guidance. Following approval by the Department of Justice and before finalizing its guidance, each agency should obtain public comment on its proposed guidance documents. Final agency-specific LEP guidance should be published within 120 days from the date of this memorandum. Agencies likewise should submit to the Department of Justice plans for federally conducted programs and activities. The Department of Justice is the central repository for these agency plans.

Federally assisted programs and activities may not be administered in a way that violates the Title VI regulations. Each Federal Agency is responsible for ensuring that its agency-specific guidance outlines recipients' obligations under the Title VI regulations and the steps recipients can take to avoid violating these obligations. While Executive Order 13166 requires only that Federal Agencies take steps to eliminate recipient discrimination based on national origin prohibited by Title VI, each Federal Agency is encouraged to explore whether, as a matter of policy, additional affirmative outreach to LEP individuals is appropriate. Federal Agencies likewise must eliminate national origin discrimination in their own federally conducted programs and activities. The Department of Justice is available to help agencies in reviewing and preparing agency-specific LEP guidance and federally conducted plans.
