

member's quotation update activity and non-Nasdaq system trade reporting activity, respectively.

Moreover, Nasdaq believes that the level of fees charged to market participants under the proposal is reasonable. Nasdaq anticipates that overall fees for the NNMS, SelectNet, and SOES, net of the market data revenue sharing credit, will be comparable to overall fees for the NNMS, SelectNet, and SOES under the pricing changes implemented by Nasdaq on October 1 and November 1, 2001. Such fees are, in turn, estimated to be slightly lower than overall fees for SelectNet and SOES prior to the introduction of the NNMS.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

Nasdaq believes that the proposed rule change will not result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were neither solicited nor received on the proposed rule change contained in this filing. The Commission, however, had received a number of comment letters that referenced SR-NASD-2001-71, a proposed rule change instituting a quotation update fee and market data revenue sharing plan. Nasdaq withdrew SR-NASD-2001-71 prior to its implementation date. Nasdaq believes that for the most part, the comment letters did not focus on the quotation update fee or on the aspects of market data revenue sharing that are reflected in the proposed rule change contained in this filing. Moreover, Nasdaq believes that comments received on SR-NASD-2001-71 are inapposite because the proposed rule change contained in this filing are sufficiently dissimilar from the rule change proposed in SR-NASD-2001-71.

#### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to section 19(b)(3)(A)(ii) of the Act<sup>13</sup> and subparagraph (f) of Rule 19b-4,<sup>14</sup> thereunder because it establishes or changes a due, fee or other charge imposed by the self-regulatory organization. At any time within 60

days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to file number SR-NASD-2001-96 and should be submitted by February 22, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>15</sup>

**[Release No. 34-45344; File No. SR-NASD-2002-14]**

#### **Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the National Association of Securities Dealers, Inc. To Extend a Pilot Amendment to NASD Rule 4120 Regarding Nasdaq's Authority To Initiate and Continue Trading Halts**

January 28, 2002.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 24, 2002, the National Association of Securities Dealers, Inc. ("NASD"), through its subsidiary, The Nasdaq Stock Market, Inc. ("Nasdaq") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by Nasdaq. Nasdaq filed the proposal pursuant to Section 19(b)(3)(A) of the Act,<sup>3</sup> and Rule 19b-4(f)(6) thereunder,<sup>4</sup> which renders the proposal effective upon filing with the Commission.<sup>5</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

Nasdaq proposes to extend a pilot amendment to NASD Rule 4120, which clarified Nasdaq's authority to initiate and continue trading halts in circumstances where Nasdaq believes that extraordinary market activity in a security listed on Nasdaq may be caused by the misuse or malfunction of an electronic quotation, communication, reporting, or execution system operated by, or linked to, Nasdaq. The proposal would extend the pilot for an additional three months, through April 30, 2002. There is no new proposed rule language.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for its proposal and discussed any comments it received regarding the proposal. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

#### *A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

##### **1. Purpose**

On May 11, 2001, Nasdaq filed with the Commission a proposed rule change

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>4</sup> 17 CFR 240.19b-4(f)(6).

<sup>5</sup> Nasdaq asked the Commission to waive the 5-day pre-filing notice requirement and the 30-day operative delay. See Rule 19b-4(f)(6)(iii). 17 CFR 240.19b-4(f)(6)(iii).

<sup>13</sup> 15 U.S.C. 78s(b)(3)(A)(ii).

<sup>14</sup> 17 CFR 240.19b-4(f).

<sup>15</sup> 17 CFR 200.30-3(a)(12).

to clarify Nasdaq's authority to initiate and continue trading halts in circumstances where Nasdaq believes that extraordinary market activity in a security listed on Nasdaq may be caused by the misuse or malfunction of an electronic quotation, communication, reporting, or execution system operated by, or linked to, Nasdaq.<sup>6</sup> On July 27, 2001, Nasdaq filed Amendment No. 1 to the proposed rule change, which requested that the Commission approve the proposed rule change on a three-month pilot basis, expiring on October 27, 2001.<sup>7</sup> Also on July 27, 2001, the Commission approved the proposed rule change and Amendment No. 1.<sup>8</sup> On September 27, 2001, Nasdaq filed a proposed rule change to extend the pilot period for the rule through January 27, 2002.<sup>9</sup>

As a result of the decentralized and electronic nature of the market operated by Nasdaq, the price and volume of transactions in a Nasdaq-listed security may be affected by the misuse or malfunction of electronic systems, including systems that are linked to, but not operated by, Nasdaq. In circumstances where misuse or malfunction results in extraordinary market activity, Nasdaq believes that it may be appropriate to halt trading in an affected security until the system problem can be rectified. In the period during which the rule change has been in effect, Nasdaq has not had occasion to initiate a trading halt under the rule. Nevertheless, Nasdaq believes that the rule is an important component of its authority to maintain the fairness and orderly structure of the Nasdaq market. Accordingly, Nasdaq believes the rule should remain in effect on an uninterrupted basis.

## 2. Statutory Basis

Nasdaq believes that the proposal is consistent with the provisions of Section 15A of the Act,<sup>10</sup> with the provisions of Section 15A(b)(6) of the Act,<sup>11</sup> which requires, among other things, that a registered national securities association's rules be designed to prevent fraudulent and

manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

### B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq believes that the proposed rule change will impose no burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Instinet Corporation ("Instinet") has commented on the proposed rule change. Nasdaq has filed a proposed rule change to make permanent the pilot amendment to Rule 4120 (SR-NASD-2001-75). Before the expiration of the pilot period extension proposed herein, Nasdaq will file an amendment to SR-NASD-2001-75 that will modify the proposed rule and seek additional public comment on the rule as modified. Nasdaq will provide the Commission with a statement regarding any comment letters received by the Commission concerning SR-NASD-2001-75, including Instinet's comment letter.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) Impose any significant burden on competition; and
- (iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>12</sup> and Rule 19b-4(f)(6) thereunder.<sup>13</sup> At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Nasdaq has requested that the Commission waive the 5-day pre-filing notice requirement and the 30-day operative delay. The Commission finds good cause to waive the 5-day pre-filing notice requirement and the 30-day operative delay because such

designation is consistent with the protection of investors and the public interest. Acceleration of the operative date will allow the pilot to operate continuously through April 30, 2002, while the Commission seeks comment on SR-NASD-2001-75. For these reasons, the Commission finds good cause to waive both the 5-day pre-filing requirement and the 30-day operative waiting period.<sup>14</sup>

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to file number SR-NASD-2002-14 and should be submitted by February 22, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>15</sup>
