Restricted Eligibility

Eligible applicants for purposes of funding under this program are limited to the 50 States, the District of Columbia, Puerto Rico, and any territory or possession of the United States, specifically, the State energy or other agency responsible for administering the State Energy Program pursuant to 10 CFR part 420. For convenience, the term State in this notice refers to all eligible State applicants. The Catalog of Federal Domestic Assistance number assigned to the State Energy Program Special Projects is 81.119. Requirements for cost sharing contributions are addressed in the December 20, 2001 program announcement for each special project activity, as appropriate. (See http://www.eren.doe.gov/buildings/state_energy/pdfs/special_projects_02.pdf). Cost sharing contributions beyond any required percentage are desirable. Any application must be signed by an authorized State official, in accordance with the program announcement.

Evaluation Review and Criteria

A first tier review for completeness will occur at the appropriate DOE Regional Office. Applications found to be complete will undergo a merit review process by panels comprised of members representing the participating end-use sector programs in DOE's Office of Energy Efficiency and Renewable Energy. The end-use sector offices select projects for funding. The Office of Building Technology Assistance then recommends project allocations to the Assistant Secretary for Energy Efficiency and Renewable Energy for final determination. DOE reserves the right to fund, in whole or in part, any, all, or none of the applications submitted in response to this notice.

Issued in Washington, DC, on January 29, 2002.
