#### SUPPLEMENTARY INFORMATION:

**Title:** Reporting and Recordkeeping Requirements for National Volatile Organic Compound Emission Standards for Architectural Coatings; EPA ICR# 1750.03; OMB Control Number 2060-0393, expiration date January 31, 2002. This is a request for extension of a currently approved collection.

**Abstract:** Entities potentially affected by this action are those which manufacture or import architectural coatings for sale or distribution in the United States, including the District of Columbia and all United States territories. The information collection includes initial reports, annual reporting, and recordkeeping necessary for EPA to ensure compliance with Federal standards for volatile organic compounds in architectural coatings. Respondents are manufacturers and importers of architectural coatings. Responses to the collection are mandatory under 40 CFR part 59, subpart D—National Volatile Organic Compound Emission Standards for Architectural Coatings. All information submitted to EPA for which a claim of confidentiality is made will be safeguarded according to the Agency policies set forth in 40 CFR part 2, subpart B—Confidentiality of Business Information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR Chapter 15. The **Federal Register** document required under 5 CFR 1320.8(d), soliciting comments on this collection of information, was published on August 17, 2001 (66 FR 43253); no comments were received.

**Burden Statement:** The annual public reporting and recordkeeping burden for this collection of information is estimated to average 47 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the

time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previous applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

**Respondents/Affected Entities:** Manufacturers and importers of architectural coatings.

**Estimated Number of Respondents:** 500.

**Frequency of Response:** Annual.

**Estimated Total Annual Hour Burden:** 23,411 hours.

**Estimated Total Annualized Capital, O&M Cost Burden:** 0.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the addresses listed above. Please refer to EPA ICR No. 1750.03 and OMB Control No. 2060-0393 in any correspondence.
