

profit organization in a cost-effective manner or if the USPTO cannot obtain written approval for the donation by NARA in a timely manner.

Since the USPTO is removing the paper copies of U.S. patents from the examiners' search rooms on a subclass-by-subclass basis, the USPTO is not in a position to accommodate a request by a non-profit organization for a complete set of all U.S. patents or even all U.S. patents in any particular class. The USPTO is only seeking non-profit organizations interested in the selected subclasses for which the paper copies of U.S. patents are being removed from the examiners' search rooms. In addition, as the USPTO will not be conducting a file integrity review of the paper copies of the U.S. patents in a subclass as they are being removed from the examiners' search rooms, the USPTO cannot assure that the paper copies of U.S. patents available for donation are a complete set of U.S. patents even as to the selected subclasses.

If the USPTO proceeds with donating the paper copies of U.S. patents removed from the examiners' search rooms to a non-profit organization, the USPTO will provide a list of the subclasses for which the paper copies of U.S. patents are being removed from the examiners' search rooms on the USPTO's Internet web site (www.uspto.gov). The USPTO will update this list when additional subclasses are removed from the examiners' search rooms.

The USPTO published a notice seeking public input on a proposal to eliminate patent and trademark classified paper files from the public search room. See Notice of Request for Comments on Development of a Plan to Remove the Patent and Trademark Classified Paper Files from the Public Search Room, 66 FR 45012 (Aug. 27, 2001), 1250 *Off. Gaz. Pat. Office* 137 (Sept. 25, 2001). This notice concerns a plan to dispose of paper copies of selected subclasses of U.S. patents removed from the examiners' search rooms and is not related to the development of a plan to eliminate patent and trademark classified paper files from the public search room.

Dated: February 5, 2002.

James E. Rogan,

Under Secretary of Commerce for Intellectual Property and, Director of the Patent and Trademark Office.
