

All interviews will be conducted according to a field guide which will provide direction to the reviewers in their performance of this collection.

2. File Review of Trust Transactions

This is a mandatory on-site function to verify information obtained through the review process and check performance on specific trust functions. Files are randomly selected and reviewed to ensure that all necessary and proper documents have been completed and filed and to ensure that all necessary approvals and/or permits have been secured.

3. On-Site Inspection

On-site inspections of trust resources are conducted as appropriate to the resource in question and may include a visit to facilities rather than a visual inspection of particular resources. Typically, on-site inspections are conducted when specific information is needed to complete the review; where there is reason to believe that a problem exists; or it is the type of resource or function that warrants physical inspection.

4. Evaluation Report

A report documenting the process used and information obtained during the evaluation process is produced by the reviewing staff. A first draft is sent to each respondent for comment prior to finalization. Where a respondent disagrees with a finding or information contained in the report, such comment will be attached to the final report. The reports are then signed by the Director of the Office of American Indian Trust and the Assistant Secretary—Indian Affairs and transmitted to the Chairman of the tribe and its Self-Governance Coordinator.

It is a requirement of the Paperwork Reduction Act that each respondent to any information collection be notified that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number pursuant to 35 U.S.C. 3506(c)(1)(B)(V); 44 CFR 1320 8(b)(3)(vii). The valid OMB control number for this information collection is 1076-0146.

Dated: January 25, 2002.

Neal A. McCaleb,

Assistant Secretary—Indian Affairs.
