

electronic SF-182 application via the Training Server Application.

The USFWS currently utilizes the Office of Personnel Management, Standard Form 182 (Rev 12/79) which was designed with five or ten parts with carbon attachments and to be completed via type writer and is not kept electronically. The new form, which will be used by federal and non-federal applicants is expected to take 3 to 12 minutes to fill out.

We invite comments concerning this information collection on: (1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden, (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond. The information collections in this program are part of a system of record covered by the Privacy Act (5 U.S.C. 552a).

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The information collection requirements in this submission implement the regulatory requirements of the Statute Title 5 U.S.C. Chapter 41, Section 5 CFR part 410, and 231 FW1 Training Management Policy and Responsibilities. The burden listed below applies only to non-Federal applicants who use the new form.

OMB Control Number: 1018-\_\_\_\_\_.

Service Form Number: FWS Form 3-2193.

Frequency of Collection: As training enrollment dictates.

Description of Respondents: All affiliations of persons who wish to participate in training given at or sponsored by the USFWS National Conservation Training Center. These are generally natural conservation related affiliates such as Service employees, Department of the Interior employees, other Federal employees such as EPA, DOD biologists, OPM, state agency personnel, private, not-for-profit agencies such as The Conservation Fund, and university personnel. Only non-Federal applicants and their burden are listed below.

Total Annual Burden Hours: 61.35.

Total Annual Responses: 1227 (non-federal).

Total Annual Non-Hour Cost Burden: \$0.

Dated: February 6, 2002.
