These subcommittee meetings are for
the purpose of evaluating the scientific
merit of research conducted in each
specialty by Department of Veterans
Affairs (VA) investigators working in
VA Medical Centers and Clinics.

The subcommittee meetings will be
open to the public for approximately
one hour at the start of each meeting to
discuss the general status of the
program. The remaining portion of each
subcommittee meeting will be closed to

the public for the review, discussion,
and evaluation of initial and renewal
projects.

The closed portion of the meetings
involves discussion, examination,
reference to, and oral review of site
visits, staff and consultant critiques of
research protocols and similar
documents. During this portion of the
subcommittee meetings, discussion and
recommendations will deal with
qualifications of personnel conducting
the studies, the disclosure of which
would constitute a clearly unwarranted
invasion of personal privacy, as well as
research information, the premature
disclosure of which could significantly
frustrate implementation of proposed
agency action regarding such research
projects.

As provided by subsection 10(d) of
Public Law 92-463, as amended by
Public Law 94-409, closing portions of
these subcommittee meetings is in
accordance with 5 U.S.C., 552b(c)(6)
and (9)(B). Those who plan to attend or
would like to obtain a copy of minutes
of the subcommittee meetings and
rosters of the members of the
subcommittees should contact LeRoy G.
Frey, Ph.D., Chief, Program Review
Division, Medical Research Service,
Department of Veterans Affairs,
