SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 11Ab2-1 and Form SIP, SEC File No. 270-23, OMB Control No. 3235-0043.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities

and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 11Ab2-1 (Form of Application and Amendments) and Form SIP establish the procedures by which a Securities Information Processor ("SIP") files and amends its SIP registration form. The information filed with the Commission pursuant to Rule 11Ab2-1 and Form SIP is designed to provide the Commission with the information necessary to make the required findings under the Securities Exchange Act of 1934 ("Act") before granting the SIP's application for registration. In addition, the requirement that a SIP file an amendment to correct any inaccurate information is designed to assure that the Commission has current, accurate information with respect to the SIP. This information is also made available to members of the public.

Only exclusive SIPs are required to register with the Commission. An exclusive SIP is a SIP that engages on an exclusive basis on behalf of any national securities exchange or registered securities association, or any national securities exchange or registered securities association which engages on an exclusive basis on its own behalf, in collecting, processing, or preparing for distribution or publication, any information with respect to (i) transactions or quotations on or effective or made by means of any facility of such exchange or (ii) quotations distributed or published by means of any electronic quotation system operated by such association. The Federal securities laws require that before the commission may approve the registration of an exclusive SIP, it must make certain mandatory findings. It takes a SIP applicant approximately 400 hours to prepare documents which include sufficient information to enable the Commission to make those findings. Currently, there are only two exclusive SIPs registered with the Commission: The Securities Information Automation Corporation ("SIAC") and The Nasdaq Stock Market, Inc. ("Nasdaq"). SIAC and Nasdaq are required to keep the information on file with the Commission current, which entails filing a form SIP annually to update information. Accordingly, the annual reporting and recordkeeping burden for Rule 11Ab2-1 and Form SIP is 400 hours. This annual reporting and recordkeeping burden does not include the burden hours or cost of amending a

Form SIP because the Commission has already overstated the compliance burdens by assuming that the Commission will receive one initial registration pursuant to Rule 11Ab2-1 on Form SIP a year.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, N.W. Washington, DC 20549.

Dated: February 13, 2002.

Margaret H. McFarland,
Deputy Secretary.

February 13, 2002.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on January 18, 2002, the Government Securities Clearing Corporation ("GSCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by GSCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

¹ 15 U.S.C. 78s(b)(1).

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

GSCC is seeking to establish a cross-margining program with BrokerTec Clearing Company, L.L.C. ("BCC").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, GSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. GSCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

On August 19, 1999, the Commission approved GSCC's proposed rule filing to establish a cross-margining program with other clearing organizations and to begin its program with the New York Clearing Corporation ("NYCC"). The GSCC-NYCC cross-margining program was implemented on February 25, 2000.³ GSCC subsequently submitted a rule filing to the Commission to establish a similar cross-margining program with the Chicago Mercantile Exchange ("CME"). That program was approved on May 11, 2001.⁴ On January 25, 2002, the Commission approved a cross-margining program between GSCC and the Board of Trade Clearing Corporation ("BOTCC").⁵ GSCC is now seeking to establish a similar cross-margining program with BCC.

BCC is the affiliated clearing organization for futures transactions

² The Commission has modified the text of the summaries prepared by GSCC.

³ Securities Exchange Act Release No. 41766 (August 19, 1999), 64 FR 46737 (August 26, 1999) [File No. SR-GSCC-98-04]. The requisite rule changes necessary for GSCC to engage in cross-margining programs with other clearing organizations were made in the NYCC cross-margining rule filing.

⁴ Securities Exchange Act Release No. 44301 (May 11, 2001), 66 FR 28207 (May 22, 2001) [File No. SR-GSCC-00-13]. In addition to approving GSCC's cross-margining program with the CME, the order granted approval to change GSCC Rule 22, Section 4, to clarify that before GSCC credits an insolvent member for any profit realized on the liquidation of the member's final net settlement positions, GSCC will fulfill its obligations with respect to that member under cross-margining agreements.
