Approval and Promulgation of Air Quality Implementation Plans; Maryland Nitrogen Oxide Averaging Plan for Constellation Power Source Generation

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA proposes to approve a State Implementation Plan (SIP) revision submitted by the State of Maryland on April 25, 2001 for the purpose of establishing an inter-facility averaging plan for emissions of nitrogen oxides (NO_x) at facilities located in Maryland that are owned by Constellation Power Source Generation Inc. The SIP revision consists of a Consent Order issued to Constellation Power Source Generation Inc. establishing a system-wide emissions averaging plan to comply with the applicable NO_x reasonably available control technology (RACT) requirements for 10 boiler units located at five different electric generating facilities owned by Constellation Power Source Generation Inc. In the Final Rules section of this **Federal Register**, EPA is approving the State's SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this action, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time.

Delaware: Final Authorization of State Hazardous Waste Management Program Revisions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: Delaware has applied to EPA for Final authorization of changes to its hazardous waste program under the Resource Conservation and Recovery Act (RCRA). EPA proposes to grant such Final authorization to Delaware. In the "Rules and Regulations" section of this **Federal Register**, EPA is authorizing the changes by an immediate final rule. Unless we receive written comments which oppose this authorization during the comment period, the immediate final rule will become effective on the date it establishes, and we will not take further action on this proposal. If we receive comments that oppose this action, we will withdraw the immediate final rule, and it will not take effect. We will then respond to public comments in a later final rule based on this proposal. You may not have another opportunity for comment. Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Reef Fish Resources of the Gulf of Mexico; Charter Vessel and Headboat Permit Moratorium

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of availability of an amendment for a charter vessel/headboat permit moratorium; request for comments.

SUMMARY: NMFS announces that the Gulf of Mexico Fishery Management Council (Council) has submitted to NMFS an amendment for a charter vessel/headboat permit moratorium amending the fishery management plans (FMPs) for the Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic (Amendment 14) and the Reef Fish Resources of the Gulf of Mexico (Amendment 20) for review, approval, and implementation. Amendments 14 and 20 would establish a 3-year moratorium on the issuance of charter vessel or headboat (for-hire) permits for the reef fish fishery and coastal migratory pelagics fishery in the exclusive economic zone (EEZ) of the Gulf of Mexico. In addition, as a consequence of the proposed moratorium, the current charter vessel/headboat permit for coastal migratory pelagic fish would have to be restructured as separate permits for the Gulf and South Atlantic. Written comments are requested from the public.

DATES: Written comments must be received on or before April 29, 2002.

ADDRESSES: Comments must be mailed to the Southeast Regional Office, NMFS, 9721 Executive Center Drive N., St. Petersburg, FL 33702. Comments may
