

percent of the direct labor cost for the project (including subcontractor labor) in the U.S.. At current planning levels, and subject to the availability of funds, DOE expects to provide up to approximately \$3,400,000 to support work under this solicitation. Applications which include performance of Federal agencies and agents (i.e. Management and Operations (M&O) contractors and/or National Laboratories) as a team member will be acceptable under this solicitation if the proposed use of any such entities is specifically authorized by the executive Federal agency managing the M&O or National Laboratory, and the work is not otherwise available from the private sector. Such work, if approved, would be accomplished through a direct transfer of funding from the NETL to the M&O contractor and/or National Laboratory. Even though participation of an M&O and/or National Laboratory may be appropriate, their participation cannot exceed thirty-five (35) percent of the applicant's total estimated project cost.

Once released, the solicitation will be available for downloading from the IIPS Internet page. At this Internet site you will also be able to register with IIPS, enabling you to submit an application. If you need technical assistance in registering or for any other IIPS function, call the IIPS Help Desk at (800) 683-0751 or e-mail the Help Desk personnel at IIPS_HelpDesk@center.doe.gov. The solicitation will only be made available in IIPS, no hard (paper) copies of the solicitation and related documents will be made available.

Prospective applicants who would like to be notified as soon as the solicitation is available should subscribe to the Business Alert Mailing List at <http://www.netl.doe.gov/business>. Once you subscribe, you will receive an announcement by e-mail that the solicitation has been released to the public. Telephone requests, written requests, e-mail requests, or facsimile requests for a copy of the solicitation package will not be accepted and/or honored. Applications must be prepared and submitted in accordance with the instructions and forms contained in the solicitation. The actual solicitation document will allow for requests for explanation and/or interpretation.

Big West Oil, LLC, Chevron Products Company and Tesoro Refining and Marketing Company, Complainants, v. Alberta Energy Company, Ltd., Express Pipeline LLC and Platte Pipe Line Company, Respondents; Notice of Complaint

February 22, 2002.

Take notice that on February 21, 2002, Big West Oil LLC (Big West), Chevron Products Company (Chevron), and Tesoro Refining and Marketing Company (Tesoro) tendered for filing a Complaint against Alberta Energy Company, Ltd. (AEC), Express Pipeline LLC (Express) and Platte Pipe Line Company (Platte).

Big West, Chevron and Tesoro state in their Complaint that in order to transport crude oil and synthetic crude oil to their refineries in Salt Lake City, Utah, they must utilize a "pump over" facility that Platt Pipe Line Company operates in Casper, Wyoming. That pump over facility is used to transfer crude petroleum and synthetic crude oil in Casper, Wyoming from the Express pipeline to a pipeline operated by Frontier Pipeline Company. Big West, Chevron, and Tesoro allege that the fees being charged for the use of the Platte pump over facility are unjust and unreasonable and unduly discriminatory and unduly preferential and, therefore, in violation of the Interstate Commerce Act. Big West,

Chevron and Tesoro further maintain that AEC and Express are directly responsible for the pump over fees and that these fees improperly inure to their benefit.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with rules 211 and 214 of the Commission's rules of practice and procedure (18 CFR 385.211 and 385.214). All such motions or protests must be filed on or before March 14, 2002. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Answers to the complaint shall also be due on or before March 14, 2002. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests, interventions and answers may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

Bluegrass Generation Company, L.L.C.; Notice of Issuance of Order

February 22, 2002.

Bluegrass Generation Company, L.L.C. (Bluegrass) submitted for filing a tariff under which Bluegrass will engage in the sales of energy and capacity services at market-based rates and the reassignment of transmission capacity. Bluegrass also requested waiver of various Commission regulations. In particular, Bluegrass requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Bluegrass.

On February 1, 2002, pursuant to delegated authority, the Director, Office

of Markets, Tariffs and Rates-Central, granted requests for blanket approval under Part 34, subject to the following:

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Bluegrass should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with rules 211 and 214 of the Commission's rules of practice and procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Bluegrass is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Bluegrass, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Bluegrass' issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is March 4, 2002.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. [Docket No. RP96-383-038]

Dominion Transmission, Inc.; Notice of Negotiated Rate Filing

February 22, 2002.

Take notice that on February 15, 2002, Dominion Transmission, Inc. (DTI)

submitted the following tariff sheets disclosing a negotiated rate transaction:

Eighth Revised Sheet No. 1300
Original Sheet No. 1419
First Revised Sheet No. 1419
Sheet Nos. 1420-1499

DTI states that the tariff sheets relate to a negotiated rate transaction between DTI and Dominion Field Services, Inc. (Field Services). DTI inherited a service agreement between Conoco, Inc. and Great Lakes Gas Transport, LLC when it acquired gas transportation facilities from Great Lakes Gas Transport, LLC effective November 1, 2001. Conoco, Inc., after approval of the merger, assigned its rights and obligations under the agreement to Field Services. The tariff sheets are being filed to reflect the resulting agreement. Because the service agreement does not conform to the Form of Service Agreement contained in DTI's tariff, these tariff sheets are being filed to report a possible non-conforming service agreement. DTI requests an effective date of November 1, 2001 for Sheet Nos. 1419 and an effective date of February 16, 2002 for Eighth Revised Sheet No. 1300 and Sheet Nos. 1420-1499.

DTI states that copies of its filing have been served upon DTI's customers and interested state commissions. DTI also states that copies of its filing are available for public inspection during regular business hours, at DTI's offices in Clarksburg, West Virginia.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
