

SUPPLEMENTARY INFORMATION: On August 20, 2001, the Department published a notice of initiation of administrative review of the antidumping duty order on sebacic acid from the People's Republic of China. See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 66 FR 43570. The period of review is July 1, 2000 through June 30, 2001. The review covers three exporters of the subject merchandise to the United States.

Pursuant to section 751(a)(3)(A) of the Act, the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. Due to the difficulty in selecting surrogate values to value factors of production, and the requirement that we conduct verification in this proceeding, it is not practicable to complete this review within the time limit mandated by section 751(a)(3)(A) of the Act. Consequently, we have extended the deadline until July 31, 2002.

This extension is in accordance with section 751(a)(3)(A) of the Act (19 U.S.C. 1675(a)(3)(A)(2001)).

Background

On May 31, 2001, Acciai Speciali Terni S.p.A. and its affiliated company, requested that the Department conduct an administrative review. On June 19, 2001, the Department published a notice of initiation of the administrative review of the antidumping duty order on Stainless Steel Plate in Coils from Italy, covering the period May 1, 2000 through April 30, 2001. On October 22, 2001, the Department initiated a sales-below-the-cost-of-production investigation with respect to home market sales made by AST. On November 23, 2001, AST submitted the company-specific cost data. In order to properly analyze and consider the cost data in the Department's preliminary results, the Department has determined that it is not practicable to complete the preliminary results of this review for Acciai Speciali Terni S.p.A. and its affiliates within the initial time limits provided in section 751(a)(3)(A) of the Act and section

351.213(h)(2) of the Department's regulations.

Background

On July 2, 2001, the Department published a notice of opportunity to

Therefore, we are extending the due date for the preliminary results by 90 days, until no later than July 1, 2002.
