Type of Review: Extension of a currently approved collection.

Abstract

a. VA Form 26-6705 is used by the private sector sales broker to submit an

offer to VA on behalf of a prospective purchaser of a VA-acquired property. The form is prepared for each proposed contract submitted to VA. If VA accepts the offer to purchase, it then becomes a contract of sale. The form defines the terms of sale, provides the prospective purchaser with a receipt for his/her earnest money deposit, eliminates the need for separate transmittal of a purchase offer and develops the contract without such intermediate processing steps and furnishes evidence of the station decision with respect to the acceptance of the contract as tendered. Without this information, a determination of the best offer for a property cannot be made.

b. VA Form 26-6705b is used as a credit application to determine the creditworthiness of a prospective purchaser in those instances when the prospective purchaser seeks VA vendee financing, along with VA Form 26-6705. In such sales, the offer to purchase will not be accepted until the purchaser's income and credit history have been verified and a loan analysis has been completed, indicating loan approval.

c. VA Form 26-6705d is an addendum to VA Form 26-6705 for use in Virginia. It includes requirements of State law, which must be acknowledged by the purchaser at or prior to closing.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
