SUPPLEMENTARY INFORMATION:

National Highway Traffic Safety Administration

Title: Buckle Up America Telephone Surveys 2002-2004.

OMB Number: 2127-New.

Type of Request: New information collection requirement.

Abstract: Buckle Up America is a Presidential initiative to increase seat belt use and child restraint use. As part of this initiative, two national mobilizations are conducted every year during May and November. The mobilizations are designed to increase seat belt use and child restraint use through education and enforcement of restraint laws. NHTSA proposes to conduct telephone surveys both before, and after, each mobilization during the next three years to help evaluate their impact.

Affected Public: Randomly selected members of the general public aged sixteen and older in telephone households.

Estimated Total Annual Burden: 9,133.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. A Comment to OMB is most effective if OMB receives it within 30 days of publication.

Issued in Washington, DC, on February 28, 2002.
