

Robert James at (202) 482-0649, Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION: On August 20, 2001, in response to requests from the respondent and petitioners, we published a notice of initiation of this administrative review in the Federal Register. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 66 FR 43570. Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), the current deadlines are April 2, 2002 for the preliminary results and July 31, 2002 for the final results. It is not practicable to complete this review within the normal statutory time limit due to a number of significant case issues, such as major inputs purchased from affiliated suppliers, the reporting of downstream sales, and further manufacturing of subject merchandise in the United States. Therefore, the Department is extending the time limits for completion of the preliminary results until July 31, 2002 in accordance with section 751(a)(3)(A) of the Tariff Act. The deadline for the final results of this review will continue to be 120 days after publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Tariff Act (19 U.S.C. 1675 (a)(3)(A) (2001)).
