SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by BLM. Section 309 of FLPMA directs the Secretary to select 10 to 15 member citizen-based advisory councils that are established and authorized consistent with the requirements of the Federal Advisory Committee Act (FACA). As required by the FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. These include three categories:

Category Three—Holders of State, county or local elected office, employees of a State agency responsible for management of natural resources, academicians involved in natural sciences, representatives of Indian tribes, and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the State or States in which the RAC has jurisdiction. Nominees will be evaluated based on their education, training, and experience and their knowledge of the geographical area of the RAC. Nominees should have demonstrated a commitment to collaborative resource decisionmaking. All nominations must be accompanied by letters of reference from represented interests or organizations, a completed background information nomination form, as well as any other information that speaks to the nominee's qualifications.

Simultaneous with this notice, BLM State Offices will issue press releases providing additional information for submitting nominations, with specifics about the number and categories of member positions available for each RAC in the State. [Investigation 332-441]

Probable Economic Effect of the Reduction or Elimination of Foreign Tariffs

AGENCY: International Trade Commission.

ACTION: Institution of investigation and scheduling of public hearing.

EFFECTIVE DATE: February 28, 2002.

SUMMARY: Following receipt of a request on February 11, 2002, from the United States Trade Representative (USTR), the Commission instituted investigation No. 332-441, Probable Economic Effect of the Reduction or Elimination of Foreign Tariffs, under section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)).

As requested by USTR, the Commission will provide advice, at the most disaggregated level feasible, on the probable economic effect on U.S. industry sectors and U.S. exports if U.S. trading partners reduce or eliminate their tariffs as a result of the WTO and FTAA negotiations. Specifically, the Commission will provide advice on the effect on U.S. exports and major U.S. agricultural and industrial sectors, as the Commission defines them, if:

- All U.S. trading partners eliminate their tariffs of 5 percent *ad valorem* or

below and reduce all other tariffs by 50 percent;

- All U.S. trading partners eliminate their tariffs; and
- All FTAA countries eliminate their tariffs.

The Commission will provide its advice on the effect of reduction or elimination of foreign tariffs no later than November 22, 2002.
