## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

### Determinations Under the African Growth and Opportunity Act

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice.

**SUMMARY:** The United States Trade Representative (USTR) has determined

that Cameroon has adopted an effective visa system and related procedures to prevent unlawful transshipment and the use of counterfeit documents in connection with shipments of textile and apparel articles and has implemented and follows, or is making substantial progress toward implementing and following, the customs procedures required by the African Growth and Opportunity Act (AGOA). Therefore, imports of eligible products from Cameroon qualify for the textile and apparel benefits provided under the AGOA.

**DATES:** Effective March 1, 2002.

**FOR FURTHER INFORMATION CONTACT:** Chris Moore, Director for African Affairs, Office of the United States Trade Representative, (202) 395-9514.

**SUPPLEMENTARY INFORMATION:** The AGOA (Title I of the Trade and Development Act of 2000, Pub. L. 106-200) provides preferential tariff treatment for imports of certain textile and apparel products of beneficiary sub-Saharan African countries. The textile and apparel trade benefits under the AGOA are available to imports of eligible products from countries that the President designates as "beneficiary sub-Saharan African countries," provided that these countries (1) have adopted an effective visa system and related procedures to prevent unlawful transshipment and the use of counterfeit documents, and (2) have implemented and follow, or are making substantial progress toward implementing and following, certain customs procedures that assist the Customs Service in verifying the origin of the products.

In Proclamation 7350 (Oct. 2, 2000), the President designated Cameroon as a "beneficiary sub-Saharan African country." Proclamation 7350 delegated to the United States Trade Representative the authority to determine whether designated countries have met the two requirements described above. The President directed the USTR to announce any such determinations in the **Federal Register** and to implement them through modifications of the Harmonized Tariff Schedule of the United States (HTS). Based on actions that Cameroon has taken, I have determined that Cameroon has satisfied these two requirements.

Accordingly, pursuant to the authority vested in the USTR by Proclamation 7350, U.S. note 7(a) to subchapter II of chapter 98 of the HTS and U.S. note 1 to subchapter XIX of chapter 98 of the HTS are each modified by inserting "Cameroon" in alphabetical sequence in the list of countries. The foregoing modifications to the HTS are
