

Register. See Certain Cased Pencils from the People's Republic of China: Preliminary Rescission of Antidumping Duty New Shipper Review, 67 FR 3878 (January 28, 2002). In that notice, we invited interested parties to comment on the preliminary rescission within 21 days of the date of publication of the notice. Interested parties also were notified that they may request a hearing in this review within 30 days of publication of the preliminary results.

Scope of the Review

Imports covered by this review are shipments of certain cased pencils of any shape or dimension which are writing and/or drawing instruments that feature cores of graphite or other materials, encased in wood and/or man-made materials, whether or not decorated and whether or not tipped (e.g., with erasers, etc.) in any fashion, and either sharpened or unsharpened. The pencils subject to this investigation are classified under subheading 9609.10.00 of the Harmonized Tariff Schedules of the United States (HTSUS). Specifically excluded from the scope of this order are mechanical pencils, cosmetic pencils, pens, non-cased crayons (wax), pastels, charcoals, and chinks. Although the HTSUS subheading is provided for convenience and customs purposes our written description of the scope of the order is dispositive.

Changes Since the Preliminary Results

The time limits for submitting comments and requesting a hearing have passed without the Department receiving either comments or hearing requests. We have not changed our preliminary position with respect to rescission of this review. Thus, the Department is rescinding this new shipper review.

This new shipper review and this notice are issued and published in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.
