Background

On September 15, 1998, the Department published an antidumping duty order on stainless steel wire rod from Sweden (63 FR 49329). On September 28, 2001, Fagersta Stainless AB ("Fagersta"), a producer/exporter of the subject merchandise, requested an administrative review of the antidumping duty order on stainless steel wire rod from Sweden covering the period of September 1, 2000, through August 31, 2000. In accordance with 19 CFR 351.221(c)(1)(i), we published the initiation of the review on October 26, 2001 (66 FR 54195). On February 13, 2002, Fagersta, the sole requester of this review, withdrew its request for review.

Rescission of Review

Pursuant to our regulations, the Department will rescind an administrative review, "if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." See 19 CFR 351.213(d)(1). This section further provides that the Secretary may extend this time limit if the Secretary decides that it is reasonable to do so. See 19 CFR 351.213(d)(1). Although the interested party's withdrawal of its request for review was not within the 90-day time limit, there were no objections to the withdrawal of the petitioner, and the Department has no compelling reason to deny the request. (See February 25, 2002, Memorandum to the File.) As a result, we are rescinding this administrative review. The Department will issue appropriate assessment instructions to the Customs Service.

This notice also serves as a reminder to parties subject to administrative

protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.
