Notice of Lodging of Consent Decree, Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a proposed consent decree in *United States v. Angus Macdonald, et al.*, Civil Action No. 3:01CV00101, was lodged with the United States Court for the Western District of Virginia on March 1, 2002.

The consent decree resolves claims pursuant to section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9607(a), for past response costs of more than \$3,493,000 incurred for response activities to address the release at the Everdure, Inc. Macdonald, deceased, a former owner of the Site; her son, Angus Macdonald; Majorie T. Macdonald; and Glengary Development Corporation ("GDC"), a corporate entity that currently owns all but 9 acres of the Site. The proposed decree settles that case, and requires the Defendants to sell the GDC property and to pay sixty percent (60%) of the net proceeds from any sale of all or part of that property into a Site Special Account for future work at the Site or reimbursement of the Superfund.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. As a result of the discovery of anthrax contamination at

Consequently, comments which are addressed to the Department of Justice in Washington, DC and sent by regular, first-class mail through the U.S. Postal Service are not expected to be received in a timely manner. Therefore, comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department of Justice, and sent (1) c/o Patti Miller, EPA Region III, 1650 Arch Street, Philadelphia, PA 19103; and/or (2) by facsimile to (202) 353-0296; and/or (3) by overnight delivery, other than through the U.S. Postal Service, to Chief, Environmental Enforcement Section, United States Department of Justice, 1425 New York Avenue, NW 13th Floor, Washington, DC 20005. Each communication should refer on its face to *United States v. Angus Macdonald, et al.*, DOJ # 90-11-3-06957.

BILLING CODE 4410-11-M

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

**Ace Wholesale & Trading Co.;
Revocation of Registration**

On March 16, 2001, the Administrator of the Drug Enforcement Administration (DEA), issued an Order to Show Cause (OTSC) to Ace Wholesale & Trading Company (Ace), located in Lakewood, Washington, notifying it of a preliminary finding that, pursuant to evidence set forth therein, it was responsible for *inter alia* the diversion of large quantities of List I chemicals into other than legitimate channels. Based on these preliminary findings, and pursuant to 21 U.S.C. 824(d) and 28 CFR 0.100 and 0.104, the OTSC suspended Ace's DEA Certificate of Registration, effective immediately, with such suspension to remain in effect until a final determination is reached in these proceedings. The OTSC informed Ace and is owner, Sung Won Hwang (Hwang) of an opportunity to request a hearing to show cause as to why the DEA should not revoke its DEA Certificate of Registration, 004652ALY, and deny any pending applications for renewal or modification of such registration, for reason that such registration is inconsistent with the public interest, as determined by 21 U.S.C. 823(h). The OTSC also notified Ace that, should no request for hearing

be filed within 30 days, its right to a hearing would be considered waived.

On March 23, 2001, a copy of the OTSC was served upon Hwang as he was being processed for arrest for Federal offenses relating to the unlawful distribution of pseudoephedrine and conspiracy to manufacture methamphetamine. Since that time, no request for a hearing or any other response was received by DEA from Ace or Hwang nor anyone purporting to represent the registrant in this matter. Therefore, the Administrator of the DEA, finding that (1) thirty days have passed since receipt of the Order to Show Cause, and (2) no request for a hearing having been received, concludes Ace is deemed to have waived its right to a hearing. After considering relevant material from the investigative file in this matter, the Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43 (d) and (e) and 1301.46.

The Administrator finds as follows: List I chemicals are chemicals that may be used in the manufacture of a controlled substance in violation of the Controlled Substances Act. 21 U.S.C. 802(34); 21 CFR 1310.02(a). Pseudoephedrine and ephedrine are List I chemicals that are commonly used to illegally manufacture methamphetamine, a Schedule II controlled substance.

Methamphetamine is an extremely potent central nervous system stimulant, and its abuse is a growing problem in the United States.

A "regulated person" is a person who manufactures, distributes, imports, or exports *inter alia* a listed chemical. 21 U.S.C. 802(38). A "regulated transaction" is *inter alia* a distribution, receipt, sale, importation, or exportation of a threshold amount of a listed chemical. 21 U.S.C. 802(39). The Administrator finds all parties mentioned herein to be regulated persons, and all transactions mentioned herein to be regulated transactions, unless otherwise noted.

The DEA investigation shows that at the time ACE became registered with the DEA on December 20, 1999, as a distributor of the List I chemicals pseudoephedrine and phenylpropanolamine, Hwang was personally served with the DEA notices informing him that pseudoephedrine and other List I chemicals are diverted for use in clandestine methamphetamine laboratories, and served as well with the notice informing him that possession or distribution of a listed chemical knowing or having reasonable cause to believe that the listed chemical will be used to
