Drug Enforcement Administration

Manufacture of Controlled Substances; Notice of Registration

By Notice dated September 24, 2001, and published in the **Federal Register** on October 3, 2001 (66 FR 50454), Roche Diagnostics Corporation, ATTN: Regulatory Compliance, 9115 Hague Road, Indianapolis, Indiana 46250, made application by letter to the Drug Enforcement Administration (DEA) to be registered as a bulk manufacturer of alpramethadol (9605) a basic class of controlled substance listed in Schedule I.

Roche Diagnostics Corporation plans to manufacture small quantities of the above listed controlled substance for incorporation in drug of abuse detection kits.

No comments or objections have been received. DEA has considered the factors in Title 21, United States Code, section 823(a) and determined that the registration of Roche Diagnostics Corporation, is consistent with the public interest at this time. DEA has investigated Roche Diagnostics Corporation on a regular basis to ensure that the company's continued registration is consistent with the public interest. These investigations have
