

15 U.S.C. 4301 *et seq.* ("the Act"), The Digital Subscriber Line Forum ("DSL") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership status. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, US Robotics, Schaumburg, IL, and Uniden America Corporation, Fort Worth, TX, have been added as parties to this venture. Also, Mitel Semiconductor is now called Mitel Networks, Ottawa, Ontario, Canada.

In addition, Globespan and Virata Ltd. have merged to become GlobespanVirata, Cambridge, United Kingdom.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and DSL intends to file additional written notifications disclosing all changes in membership.

On May 15, 1995, DSL filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on July 25, 1995 (60 FR 38058).

The last notification was filed with the Department on October 9, 2001. A notice for this filing has not yet been published in the **Federal Register**.
