##### Additions:

On November 9 and November 23, 2001, January 11, February 1, February 8 and February 15, 2002, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (66 FR 56635 and 58712, 67 FR 1436, 4944, 5965 and 7130) of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of

qualified nonprofit agencies to provide the products and services and impact of the additions on the current or most recent contractors, the Committee has determined that the products and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and services to the Government.

2. The action will not have a severe economic impact on current contractors for the products and services.

3. The action will result in authorizing small entities to furnish the products and services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-ODay Act (41 U.S.C. 46-48c) in connection with the products and services proposed for addition to the Procurement List.

Accordingly, the following products and services are added to the Procurement List:
