SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. This action may, however, be of interest to those persons who are or may be required to conduct testing of chemical substances under the Federal Food, Drug, and Cosmetic Act (FFDCA), the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), and the Food Quality Protection Act (FQPA). Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Additional Information, Including Copies of this Document and Other Related Documents?

1. *Electronically.* A meeting agenda and copies of EPA primary background documents for the meeting will be available by the end of March. You may obtain electronic copies of these documents, and certain other related documents that might be available electronically, from the FIFRA/SAP Internet Home Page at <http://www.epa.gov/scipoly/sap/>. To access this document, on the Home Page, select “**Federal Register Notice Announcing**

This Meeting.” You can also go directly to the **Federal Register** listings at <http://www.epa.gov/fedregstr/>.

2. *In person.* The Agency has established an administrative record for this meeting under docket control number OPP-2002-0004. The administrative record consists of the documents specifically referenced in this notice, any public comments received during an applicable comment period, and other information related to the review of key features of the CARESTM model, including any information claimed as Confidential Business Information (CBI). This administrative record includes the documents that are physically located in the docket, as well as the documents that are referenced in those documents. The public version of the administrative record, which includes printed, paper versions of any electronic comments that may be submitted during an applicable comment period, is available for inspection in the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA, from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The PIRIB telephone number is (703) 305-5805.

C. How Can I Request to Participate in this Meeting?

You may submit a request to participate in this meeting through the mail, in person, or electronically. Do not submit any information in your request that is considered CBI. To ensure proper receipt by EPA, it is imperative that you identify docket control number OPP-2002-0004 in the subject line on the first page of your request. Members of the public wishing to submit comments should contact the persons listed under **FOR FURTHER INFORMATION CONTACT** to confirm that the meeting date and agenda have not been modified. Interested persons are permitted to file written statements before the meeting. To the extent that time permits, and upon advance written request to the persons listed under **FOR FURTHER INFORMATION CONTACT**, interested persons may be permitted by the Chair of the FIFRA Scientific Advisory Panel to present oral statements at the meeting. The request should identify the name of the individual making the presentation, the organization (if any) the individual will represent, and any requirements for audiovisual equipment (e.g., overhead projector, 35 mm projector, chalkboard, etc.). There is no limit on the extent of written comments for consideration by the Panel, but oral statements before the panel are limited to approximately 5 minutes. The

Agency also urges the public to submit written comments in lieu of oral presentations. Persons wishing to make oral or written statements at the meeting should contact the persons listed under **FOR FURTHER INFORMATION CONTACT** and submit 30 copies of their presentation and/or remarks to the Panel. The Agency encourages that written statements be submitted before the meeting to provide Panel Members the time necessary to consider and review the comments.

1. *By mail.* You may submit a request to: Public Information and Records Integrity Branch (PIRIB), Information Resources and Services Division (7502C), Office of Pesticide Programs (OPP), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460.

2. *In person or by courier.* Public Information and Records Integrity Branch (PIRIB), Information Resources and Services Division (7502C), Office of Pesticide Programs (OPP), Environmental Protection Agency, Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. The PIRIB is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The PIRIB telephone number is (703) 305-5805.

3. *Electronically.* You may submit your request electronically by e-mail to: "opp-docket@epa.gov." Do not submit any information electronically that you consider to be CBI. Use WordPerfect 6.1/8.0 or ASCII file format and avoid the use of special characters and any form of encryption. Be sure to identify by docket control number OPP-2002-0004. You may also file a request online at many Federal Depository Libraries.

II. Background

A. Purpose of the Meeting

This 2-day meeting concerns scientific issues undergoing consideration within the EPA Office of Pesticide Programs (OPP). The Panel will review key features of the CARES™ Model to include the software code, data requirements, data inputs, and output reports. The presentation will focus on the operating system and will solicit panel comments and advice with respect to the transparency and operation of the model. CARES™ is a model for assessing aggregate and cumulative exposure and risk to pesticides. To assist the Panel in their evaluation of CARES™ each Panel member will be provided a copy of the CARES™ software and supporting documentation. The Panel will also be provided with hypothetical, yet representative, residue and toxicological

data sets for assessing aggregate and cumulative exposure and risk via the dietary, residential and drinking water pathways. Interested public parties can obtain a copy of the CARES™ software by contacting Angelina Duggan at Aduggan@croplifeamerica.org. This program is copyrighted and there will be a charge for a copy of the program.

B. Panel Report

Copies of the Panel's report of their recommendations will be available within 60-working days after the meeting, and will be posted on the FIFRA SAP web site or may be obtained by contacting the Public Information Records Integrity Branch (PIRIB) at the address and telephone listed below under Unit I.

EPA Science Advisory Board; Notification of Public Advisory Committee Meeting

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Environmental Engineering Committee (EEC, Committee) of the US EPA Science Advisory Board (SAB) will meet via public teleconference on the date and time noted below. All times noted are Eastern Time. This meeting is open to the public, however, seating is limited and available on a first come basis. *Important Notice:* Documents that are the subject of SAB reviews are normally available from the originating EPA office and are not available from the SAB Office—information concerning availability of documents from the relevant Program Office (if any) is included below. Subsequent teleconference meetings of the EEC are planned for July 3, 2002, September 4, 2002 and November 6, 2002. Information concerning these meetings will appear in future **Federal Register** notices.

1. Environmental Engineering Committee (EEC)—May 1, 2002

The Environmental Engineering Committee (EEC, Committee) of the US EPA Science Advisory Board (SAB), will conduct a public teleconference meeting on May 1, 2002 hosted from Room 6528, USEPA, Ariel Rios Building North, 1200 Pennsylvania Avenue, NW, Washington, DC 20004. The meeting will begin at 12:00 pm and adjourn no later than 2:00 pm. The public is encouraged to attend the meeting in the conference room noted above, however, the public may also attend through a telephonic link if lines are available. Additional instructions about how to participate in the conference call can be obtained by calling Ms. Mary Winston (see contact information below)

Purpose of the Meeting—The primary purpose of this meeting will be to review for approval a commentary prepared by the EEC's Risk Reduction Options Selection Subcommittee. The Committee reviewed the December 20, 1001 draft report of the Subcommittee at its January 30, 2002 conference call and agreed that the report would be revised to address the comments received. Those revisions are in progress and the Committee expects to have the commentary available for consideration at the May 1, 2002 conference call.

The Committee will also use the meeting to discuss the future of the EEC. To prepare for this, several members are preparing a paper on the future of the EEC to stimulate discussion at the May 1 conference call. This discussion will also address the Committee's FY2003 plans.

The Committee may also be briefed on issues of technical interest. For example, if schedules permit, there may be a briefing on nanotechnology addressing both the state of the Agency and the state of the science.

Availability of Review Materials: The draft commentary will be available at the SAB's website (www.epa.gov/sab) before April 24, 2002.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information concerning this teleconference meeting or who wishes to submit brief oral comments (3 minutes or less) must contact Ms. Kathleen White, Designated Federal Officer, EPA Science Advisory Board (1400A), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW, Washington, DC 20460; telephone (202) 564-4559; fax (202) 501-0582; or via e-mail at white.kathleen@epa.gov. Requests for oral comments must be *in writing* (e-mail, fax or mail) and received by Ms. White no later than
