### Background

The proposal that is the subject of this correction was published in response to the Transportation Recall Enhancement, Accountability, and Documentation (TREAD) Act of 2000. It proposed to establish new and more stringent tire performance requirements in a new Federal motor vehicle safety standard that would apply to all new tires for use on vehicles with a gross vehicle weight rating of 10,000 pounds or less. The proposal sought comment on the proposed new standard, including its applicability and test procedures, modifications to related existing standards, and lead time provided for manufacturers to achieve compliance.

### Need for Correction

As published, the proposal inadvertently omits items which are in need of addition.

### Correction of Publication

Accordingly, the publication on March 5, 2002 (67 FR 10050) is corrected as follows:
