Proposed Project: Web-based Semi Annual Report (SAR): NEW

The Health Resources and Services Administration (HRSA), Bureau of

Primary Health Care (BPHC) plans to collect the annual reporting requirements for the primary care grantees funded by BPHC using a web-based Semi Annual Report (SAR). The SAR includes reporting requirements for grantees of the following primary care programs: State Primary Care Associations and State Primary Care Offices. Authorizing legislation is found in Public Law 104-299, Health Center Consolidation Act of 1996, enacting Section 330 of the Public Health Service Act.

BPHC collects data on its programs to ensure compliance with legislative mandates and to report to Congress and policymakers on program accomplishments. To meet these objectives, BPHC requires a core set of information collected semi-annually that is appropriate for monitoring and evaluating performance and reporting on annual trends. The SAR, completed by all grantees, provides data on services, characteristics of populations, leveraged funds, and services that fall within the scope of the grant.
