BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-929 to 931 (Final)]

Silicomanganese From India, Kazakhstan and Venezuela; Notice of Commission Determination to Conduct a Portion of the Hearing in Camera

AGENCY: International Trade Commission.

ACTION: Closure of a portion of a Commission hearing to the public.

SUMMARY: Upon request of Transnational Co. Kazchrome and Aksu Ferroalloy Plant and Considar, Inc. (collectively "K&C"), the Commission has determined to conduct a portion of its hearing in the above-captioned investigation scheduled for April 2, 2002, *in camera*. See Commission rules 207.24(d), 201.13(m) and 201.36(b)(4) (19 CFR 207.24(d), 201.13(m) and 201.36(b)(4)). The remainder of the hearing will be open to the public. The Commission has determined that seven-day advance notice of the change to a meeting was not possible. See Commission rule 201.35(a), (c)(1) (19 CFR 201.35(a), (c)(1)).

FOR FURTHER INFORMATION CONTACT:

Laurent de Winter, Office of General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone 202-708-5452, e-mail *lwinter@usitc.gov*. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes that K&C have justified the need for a closed session. They seek a closed session to allow testimony concerning petitioner's financial performance, capacity utilization, and market share. Because there is only one domestic producer of silicomanganese, such discussions will necessitate disclosure of business proprietary information (BPI), and they can only occur if a portion of the hearing is held *in camera*. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioners and by respondents, with questions from the Commission. In addition, the hearing will include an *in camera* session for a confidential presentation by K&C and a rebuttal presentation by petitioner.

Questions from the Commission relating to the BPI will follow each of the *in camera* presentations. During the *in camera* session the room will be cleared of all persons except those who have been granted access to BPI under a Commission administrative protective order (APO) and are included on the Commission's APO service list in this investigation. See 19 CFR 201.35(b)(1), (2). The time for the parties' presentations and rebuttals in the *in camera* session will be taken from their respective overall allotments for the hearing. All persons planning to attend the *in camera* portions of the hearing should be prepared to present proper identification.

Authority: On behalf of the General Counsel, the Deputy General Counsel has certified, pursuant to Commission Rule 201.39 (19 CFR § 201.39) that, in his opinion, a portion of the Commission's hearing in Silicomanganese from India, Kazakhstan and Venezuela, Invs. Nos. 731-TA-929 to 931 (Final) may be closed to the public to prevent the disclosure of BPI.

Issued: April 1, 2002.

By order of the Commission.

Secretary.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Office of Community Oriented Policing Services; FY 2002 Community Policing Discretionary Grants

AGENCY: Office of Community Oriented Policing Services, Department of Justice.

ACTION: Notice of availability.

SUMMARY: The Department of Justice, Office of Community Oriented Policing Services ("COPS") announces the availability of funds under the Tribal Resources Grant Program, a program designed to meet the most serious needs of law enforcement in Indian communities through a comprehensive grant program that will offer a variety of funding options including: New, additional police officer positions; basic and/or specialized training for new and existing officers; training in community policing, grants management and computer training; uniforms and basic issue equipment; department-wide technology; and police vehicles. This

program, which complements the COPS Office's efforts to fund additional community policing officers and to support innovative community policing, will enhance law enforcement infrastructures and community policing efforts in tribal communities which have limited resources and are affected by high rates of crime and violence. Applications should reflect the department's most serious law enforcement needs and must link these needs to the implementation or enhancement of community policing. In addition, a Retention Plan Certification form outlining how COPS-funded officer positions will be retained after Federal funding has ended must be submitted with the grant application.

All Federally Recognized Tribes with established police departments or existing police efforts are eligible to apply. Federally Recognized Tribes that wish to establish police departments and meet specific criteria are also eligible to apply. Federally Recognized Tribes may also apply as a consortium with a written partnership agreement that names a lead agency and describes how requested resources will serve the consortium's population. In addition, tribes that are currently served by Bureau of Indian Affairs (BIA) law enforcement may request funding under this grant program to supplement their existing police services. Tribes whose law enforcement services are exclusively provided by local policing agencies through a contract agreement are not eligible under the COPS TRGP program, but may be eligible to apply to the COPS Universal Hiring Program for police officer positions only.

DATES: Applications will be sent to all Federally Recognized Tribes with existing law enforcement efforts by April 2002. Tribes or villages that wish to apply as a start-up or consortium may request an application kit from the COP Office. The deadline for the submission of applications is May 17, 2002. Applications must be postmarked by May 17, 2002 to be considered eligible.

ADDRESSES: To obtain an application or for more information, call the U.S. Department of Justice Response Center at 1-800-421-6770. A copy of the application kit will also be available in April on the COPS Office web site at: <http://www.cops.usdoj.gov>.

FOR FURTHER INFORMATION CONTACT: The U.S. Department of Justice Response Center, 1-800-421-6770 and ask to speak with your Grant Program Specialist.

SUPPLEMENTARY INFORMATION:

Overview

The Violent Crime Control and Law Enforcement Act of 1995 (Pub. L. 103-322) authorizes the Department of Justice to make grants to increase deployment of law enforcement officers devoted to community policing on the streets and rural routes of this nation. The Tribal Resources Grant Program is a program developed to meet the most serious needs of law enforcement in tribal communities through a comprehensive grant program that will offer a variety of funding options. This program will enhance law enforcement infrastructures and community policing efforts in these tribal communities, many of which have limited resources and are affected by high rates of crime and violence.

The Tribal Resources Grant Program is part of a larger federal initiative which over the last four years, has resulted in the Departments of Interior and Justice working in collaboration to improve law enforcement in tribal communities. Funding has been appropriated to several DOJ agencies including the FBI, the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP), the Corrections Program Office (CPO), and the COPS Office. COPS is coordinating with these agencies as well as with the Office of Law Enforcement Services of the Bureau of Indian Affairs to ensure that limited resources are not spent on duplicative efforts.

A total of \$35,000,000 in funding will be available under the Tribal Resources Grant Program. The grant will cover a maximum federal share of 75% of total project costs up to specified Federal share funding cap depending on the funding category. A local match requirement of at least 25% of the total project costs is included in this program. A waiver of the local match requirement may be requested at the time of application. Waivers are reviewed on a case-by-case basis, based on a demonstration of severe fiscal distress. Tribes whose law enforcement service are exclusively provided by local policing agencies through contract arrangements are not eligible under this COPS program. However, tribes that do not meet the eligibility requirements for this program may be eligible to apply to the COPS Office Universal Hiring Program for police officer positions only.

Receiving an award under the Tribal Resources Grant Program will not preclude grantees from future consideration under other COPS grant programs for which they are eligible.

(The Catalog of Federal Domestic Assistance (CFDA) reference for this program is 16.710.)

Dated: March 27, 2002.

Director, Office of Community Oriented Policing Services.

DEPARTMENT OF JUSTICE

Office of Community Oriented Policing Services; FY 2002 Community Policing Discretionary Grants

AGENCY: Office of Community Oriented Policing Services, Department of Justice.

ACTION: Notice of availability.

SUMMARY: The U.S. Department of Justice, Office of Community Oriented Policing Services (COPS) announces the availability of Universal Hiring Program (UHP) grants to pay up to 75 percent of the entry-level salary and benefits for newly hired, additional sworn officers over a three year grant term, up to a maximum of \$75,000 per officer. A minimum 25 percent local match, paid with state or local funds, is required. To qualify for funding, officers must be hired on or after the grant award start date. Funding will begin once the new officers have been hired on or after the date of the award, and will be paid over the course of the grant. At the time of application, applicants must agree to plan for the retention of each COPS-funded UHP position awarded with state, local or other non-COPS funds at the conclusion of federal funding, for a minimum of one full local budget cycle. The retention requirement cannot be satisfied through attrition. All policing agencies, as well as jurisdictions seeking to establish new policing agencies, are eligible to apply for this program.

DATES: The priority consideration deadline for UHP funding is May 24, 2002. The second and final deadline date for all UHP applications is June 21, 2002. All UHP applications must be postmarked by the final deadline date. Applications postmarked after the final deadline date will not be considered. All grant awards are subject to the availability of funds. In the event that UHP funding requests exceed available grant funds, applications may be considered in subsequent fiscal years. Since funding is limited under UHP, we encourage interested agencies to apply early.

ADDRESSES: To obtain a copy of an application or for additional information, call the U.S. Department of Justice Response Center at 1-800-421-6770. The UHP application kit and

information on the COPS Office are also available on the Internet via the COPS Web site at: www.cops.usdoj.gov.

SUPPLEMENTARY INFORMATION:

Overview

The Violent Crime Control and Law Enforcement act of 1994 (Pub. L. 103-322) authorizes the Department of Justice to make grants to increase deployment of law enforcement officers devoted to community policing on the streets and rural routes of this nation. The Universal Hiring Program (UHP) enables interested agencies to supplement their current sworn forces, or interested jurisdictions to establish a new agency, through federal grants for up to three years. All policing agencies, as well as jurisdictions seeking to establish new policing agencies, are eligible to apply for this program.

Grants will be made for up to 75 percent of the entry level salary and benefits for each new officer over three years, up to a maximum of \$75,000 per officer, with a required minimum 25 percent local match to be paid with state or local funds. Funding will begin once the new officers have been hired on or after the date of the award, and will be paid over the course of the grant. Officers must be hired on or after the grant award start date to qualify for grant funding.

Waivers of the non-federal matching requirement may be requested under UHP, but will be granted only upon a demonstration of extraordinary fiscal hardship.

COPS grant funds must not be used to replace funds that eligible agencies otherwise would have devoted to officer hiring in the absence of the grant. In other words, any hiring under UHP must be in addition to, and not in lieu of, officers that otherwise would have been hired. At the time of application, applicants must agree to plan for the retention of each COPS-funded UHP position awarded with state, local or other non-COPS funds at the conclusion of federal funding, for a minimum of one full local budget cycle. The retention requirement cannot be satisfied through attrition.

An award under the COPS Universal Hiring Program will not affect the consideration of an agency's eligibility for a grant under other COPS programs.
