

Notice of Invitation to Submit Complete Application

All preapplications selected for funding consideration will be notified by the State or field office by issuing Form AD-622, "Notice of Preapplication Review Action." At that time, the proposed recipient will be invited to submit a complete application, along with instructions related to the agreed upon award amount, and asked to schedule an application conference to discuss items needed for formal application and to further clarify issues related to the project.

Final Approval and Funding Process

Final approval is subject to the availability of funds; the submission by the applicant of a formal, complete application and related materials that meet the program requirements and responsibilities of the grantee (contained in 7 CFR part 3570, subpart B); the letter of conditions; and the grant agreement. Those preapplications that do not have sufficient priority necessary to receive funding consideration for FY 2002 will be notified, in writing, by the Agency's State or designated field office.

Dated: March 28, 2002.

James C. Alsop,

Acting Administrator, Rural Housing Service.

Antidumping Duty Order: Automotive Replacement Glass Windshields from the People's Republic of China.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of antidumping duty order.

DATES: April 4, 2002.

FOR FURTHER INFORMATION CONTACT: FOR FURTHER INFORMATION CONTACT: Stephen Bailey and Brandon Farlander at 202-482-1102 and 202-482-0182 respectively, Import Administration, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, N.W., Washington, DC 20230.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 C.F.R. part 351 (2001).

SUPPLEMENTARY INFORMATION:

Background

On February 12, 2002, the Department issued its final determination in the antidumping duty investigation of automotive replacement glass ("ARG") windshields from the People's Republic of China ("PRC"). See *Notice of Final Determination of Sales at Less Than Fair Value: Certain Automotive Replacement Glass Windshields from the People's Republic of China*, 67 FR 6482 (February 12, 2002). On March 6, 2002, the Department issued its amended final determination in the antidumping duty investigation of ARG windshields from the PRC. See *Notice of Amended Final Determination of Sales at Less Than Fair Value: Certain Automotive Replacement Glass Windshields from the People's Republic*

of China, 67 FR 11670 (March 15, 2002) (Amended Final Determination). In the Amended Final Determination, the Department amended the weight-average margins for Fuyao Glass Industry Group Company, Ltd. ("FYG"), Xinyi Automotive Glass (Shenzhen) Co., Ltd. ("Xinyi"), Shenzhen Benxun Auto-Glass Co., Ltd. ("Benxun"), Changchun Pilkington Safety Glass Co., Ltd. ("Changchun"), Guilin Pilkington Safety Glass Co., Ltd. ("Guilin"), Wuhan Yaohua Pilkington Safety Glass Co., Ltd. ("Wuhan"), and TCG International ("TCGI").

On March 21, 2002, the International Trade Commission notified the Department of its final determination pursuant to section 735(b)(1)(A)(i) of the Act that an industry in the United States is materially injured by reason of less-than-fair-value imports of ARG windshields from the PRC.

Scope of the Investigation

The products covered by this investigation are ARG windshields, and parts thereof, whether clear or tinted, whether coated or not, and whether or not they include antennas, ceramics, mirror buttons or VIN notches, and whether or not they are encapsulated. ARG windshields are laminated safety glass (*i.e.*, two layers of (typically float) glass with a sheet of clear or tinted plastic in between (usually polyvinyl butyral)), which are produced and sold for use by automotive glass installation shops to replace windshields in automotive vehicles (*e.g.*, passenger cars, light trucks, vans, sport utility vehicles, *etc.*) that are cracked, broken or otherwise damaged.

ARG windshields subject to this investigation are currently classifiable under subheading 7007.21.10.10 of the Harmonized Tariff Schedules of the United States (HTSUS). Specifically excluded from the scope of this investigation are laminated automotive windshields sold for use in original assembly of vehicles. While HTSUS subheadings are provided for convenience and Customs purposes, our written description of the scope of this investigation is dispositive.

Antidumping Duty Order

In accordance with section 736(a)(1) of the Act, the Department is directing Customs officers to assess, upon further advice by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of ARG windshields from the PRC. The antidumping duties will be assessed on all unliquidated

entries of ARG windshields from the PRC entered, or withdrawn from warehouse, for consumption on or after September 19, 2001, the date on which the Department published its notice of preliminary determination in the Federal Register. See Notice of Preliminary Determination of Sales at

Less Than Fair Value: Certain Automotive Replacement Glass Windshields from the People's Republic of China, 66 FR 48233 (September 19, 2001). On or after the date of publication of this notice in the Federal Register, customs officers must require, at the same time as importers would

normally deposit estimated duties on this merchandise, a cash deposit equal to the estimated weighted-average dumping margins as noted below. The "All Others" rate applies to all exporters of subject merchandise from the PRC. The weighted-average dumping margins are as follows:

AUTOMOTIVE REPLACEMENT GLASS WINDSHIELDS

Producer/Manufacturer/Exporter	Weighted-Average Margin
FYG	11.80%
Xinyi	3.71%
Benxun	9.84%
Changchun	9.84%
Guilin	9.84%
Wuhan	9.84%
TCGI	9.84%
China-Wide	124.50%

This notice constitutes the antidumping duty order with respect to ARG windshields from the PRC. Interested parties may contact the Department's Central Records Unit, room B-099 of the main Department of Commerce building, for copies of an updated list of antidumping duty orders currently in effect.

This order is published in accordance with section 736(a) of the Act.

Dated: March 29, 2002

Faryar Shirzad,

Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-507-502]

Administrative Review of Certain In-Shell Raw Pistachios from Iran: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 4, 2002.

FOR FURTHER INFORMATION CONTACT: Phyllis Hall at (202) 482-1398, or Donna Kinsella at (202) 482-0194, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce ("the Department") to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested, and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days and for the final determination to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the date of publication of the preliminary determination.

Background

On August 20, 2001, the Department published the Notice of Initiation of Administrative Review of the Antidumping Duty Order on Certain In-Shell Raw Pistachios from Iran, covering the period July 1, 2000 through June 30, 2001 (66 FR 43570). The preliminary results are currently due no later than April 2, 2002.

Extension of Time Limit for Preliminary Results of Review

The instant administrative review involves several complex issues that necessitate a greater amount of time in order to preliminarily complete this review (e.g., exchange rates, selection of comparison market and complex issues surrounding the U.S. sales). Therefore, it is not practicable to complete the

preliminary results of this review within the original time limits mandated by section 751 (a)(3)(A) of the Act. The Department is extending the time limit for completion of the preliminary results by 120 days, until July 31, 2002.

This extension of the time limit is in accordance with section 751 (a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: March 27, 2002

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.

Certain Preserved Mushrooms from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Initiation of New Shipper Antidumping Review for the period February 1, 2001, through January 31, 2002.

EFFECTIVE DATE: April 4, 2002.

SUMMARY: The Department of Commerce has received requests to conduct a new shipper review of the antidumping duty order on certain preserved mushrooms from the People's Republic of China. In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended, and 19 C.F.R. 351.214(d), we are initiating a review for Guangxi Yulin Oriental Food
