

CHX fixed fees, assignment fees and application fees.

The Exchange believes that the proposed change to the Schedule constitutes an appropriate means of ensuring that the Exchange continues to trade an appropriate number of NNM securities. For a variety of reasons, some specialists have deregistered from certain NNM securities formerly assigned to such specialists for trading on the CHX pursuant to unlisted trading privileges. At the same time, CHX floor brokers continue to receive orders for many of these "dropped" issues; such floor brokers view continued CHX trading of a wide variety of NNM securities to be critical to their customers and an important part of the Exchange's overall strategic plan. Accordingly, the CHX has devised the proposed fee exemption, which the CHX believes will provide sufficient economic incentive for specialists to continue trading a wide array of NNM securities.

## 2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,<sup>4</sup> generally, and Section 6(b)(4) of the Act<sup>5</sup> in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among Exchange members.

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The CHX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were neither solicited nor received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective on filing pursuant to Section 19(b)(3)(A) of the Act<sup>6</sup> and Rule 19b-4(f)(2) thereunder,<sup>7</sup> as establishing or changing a due, fee, or other charge paid solely by members of the CHX. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate, in the public interest, for

the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>8</sup>

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the CHX. All submissions should refer to File No. SR-CHX-2002-07 and should be submitted by April 26, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>9</sup>
