Synopsis

1. On August 17, 2001, the Commission released the *Flexibility Notice of Proposed Rulemaking*, 66 FR 47621 (Sept. 13, 2001), on proposals to bring flexibility to the delivery of communications by mobile satellite service (MSS) providers. One alternative proposal under consideration would open portions of the MSS bands for any operator to provide a terrestrial service that could either be offered in conjunction with MSS or as an alternative mobile service. Additional technical comment on this alternative proposal will assist the Commission in reaching a decision in this proceeding.

2. For this reason, the Commission additional technical comment on issues pertaining to the alternative proposal for MSS operations.

Federal Communications Commission.

James Ball,

Chief, Policy Division, International Bureau.
