SUPPLEMENTARY INFORMATION:**1. Background**

Pursuant to section three of the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)), hereinafter referred to as the Act, the Department hereby publishes notice of a new universal routine use, as well as thirty-three (33) new systems of records currently maintained pursuant to the Act. This document supplements this Department's last consolidated publication of all of its Privacy Act systems of records. On September 23, 1993, in Volume 58 at Page 49548 of the **Federal Register**, the Department published a notice containing 138 systems of records which were maintained, at that time, under the Act. That document gave notice of eleven paragraphs containing universal routine uses which applied, across the board, to all 138 systems of records, except for the two employee counseling and medical systems of records. Those eleven paragraphs were presented in the General Prefatory Statement for that document. Thereafter, seven new systems of records were established as set forth in the following five documents. These five documents were as follows: 59 FR 18156, April 15, 1994 (two new systems); 60 FR 24897, May 10, 1995 (one new system); 60 FR 31495, June 15, 1995 (one new system); 62 FR 16610, April 7, 1997 (two new systems); and 62 FR 53343, October 14, 1997 (one new system). The 33 new systems published herein will increase the total number of systems to 147 after accounting for the 31 systems which are being deleted in this notice.

In addition to the seven new systems, discussed above, the Department made amendments to its existing systems subsequent to the September 23, 1993 consolidated publication. These amendments were published in three separate documents published as follows: 59 FR 47361, September 15, 1994, 63 FR 2417, January 15, 1998, and 63 FR 25234, May 7, 1998. You should also note that amendments were made to existing systems in the same documents which established the seven new systems of records.

2. The Current Action

Pursuant to section three of the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)), the Department hereby publishes an updated consolidated publication in full for all of its 147 systems of records, including 33 new systems, currently maintained pursuant to the Privacy Act of 1974. As noted above, the Department's last consolidated publication in full appeared in the **Federal Register** on

September 23, 1993, at page 49548 in Volume 58 of the **Federal Register**.

This notice also proposes one new universal routine use to be added to the Department's current list of eleven universal routine uses. These universal routine uses apply across the board to all of the Department's systems of records. The original eleven universal routine uses, being republished herein, are essentially a refined version of those universal routine uses which were published on September 23, 1993, at pages 49554-49555 in Volume 58 of the **Federal Register**.

Besides these twelve universal routine uses, both substantive and non-substantive changes have been made to certain of the system-specific routine uses which appear within the body of most of the systems.

As noted above, this notice will add 33 new systems which are being published for the first time; it amends 60 existing systems in a substantive manner, and it amends 29 existing systems in a non-substantive manner. This notice deletes 31 systems.

The following is a listing of the substantive and non-substantive additions, changes, and deletions to the various departmental systems of records. This listing will not describe extremely non-substantive revisions to the Department's existing systems of records.

The public, the Office of Management and Budget (OMB), and the Congress are invited to submit written comments on the 33 new systems, and on the other substantive amendments. A report on all of the new systems and on the substantive amendments has been provided to OMB and to the Congress as required by OMB Circular A-130.

Revisions to the Universal Routine Uses Appearing Within the General Prefatory Statement*A. Refinements to the Current Universal Routine Uses*

The Department is proposing certain grammatical refinements to the eleven routine uses of the records which currently appear within the General Prefatory Statement. In addition, routine use number 10, disclosure to the Office of Management and Budget (OMB), is being broadened to include all legislative matters, instead of being limited to private relief legislation. These universal routing uses apply across the board to all current systems of records, except for the two employee counseling and medical systems.

B. A New Universal Routine Use

The new universal routine use of the records proposed herein will be

designated as universal routine use number 12, and will appear within the General Prefatory Statement. This routine use will permit the Department to disclose the fact that an employee conduct investigation may be underway, based upon an allegation of prohibited activity, in the event of a media request, or in the event that the subject of the investigation has released information to the public.

Special California Earthquake Co-operative Agreement

The San Francisco, California Regional Office of the Department of Labor's Office of Assistant Secretary for Administration and Management (OASAM), Region IX of OASAM, has entered into a reciprocal agreement with the U.S. Internal Revenue Service's Office of the Regional Counsel located in San Francisco. The purpose of this reciprocal agreement is to provide each with an alternative off-site location to store computer data. This back-up storage capacity will mitigate damage if an earthquake ever occurs in the San Francisco area. This agreement is based upon the fact that the respective offices of the participants are located at opposite ends of the downtown San Francisco district and the ground structure of the two areas is substantially different.

Addresses to Which Requests May Be Directed

The addresses of the various component units of the Department as well as its regional offices are contained in the Appendix annexed to this document.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

5 U.S.C. 8101 *et seq.*, 20 CFR 1.1 *et seq.*

PURPOSE(S):

The FECA establishes the system for processing and adjudicating claims that federal employees and other covered individuals file with the Department of Labor's OWCP, seeking monetary, medical and similar benefits for injuries or deaths sustained while in the performance of duty. The records maintained in this system are created as a result of and are necessary to this process. The records provide information and verification about the individual's employment-related injury and the resulting disabilities and/or impairments, if any, on which decisions awarding or denying benefits provided under the FECA must be based.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those Department-wide routine uses set forth above in the

General Prefatory Statement to this document, disclosure of information from this system of records may be made to the following individuals and entities for the purposes noted when the purpose of the disclosure is both relevant and necessary and is compatible with the purpose for which the information was collected:

a. To any attorney or other representative of a FECA beneficiary for the purpose of assisting in a claim or litigation against a third party or parties potentially liable to pay damages as a result of the FECA beneficiary's FECA-covered injury and for the purpose of administering the provisions of sections 8131-8132 of the FECA. Any such third party, or a representative acting on that third party's behalf, may be provided information or documents concerning the existence of a record and the amount and nature of compensation paid to or on behalf of the FECA beneficiary for the purpose of assisting in the resolution of the claim or litigation against that party or administering the provisions of sections 8131-8132 of the FECA.

b. To federal agencies that employed the claimant at the time of the occurrence or recurrence of the injury or occupational illness in order to verify billing, to assist in administering the FECA, to answer questions about the status of the claim, to consider rehire, retention or other actions the agency may be required to take with regard to the claim or to permit the agency to evaluate its safety and health program. Disclosure to federal agencies, including the Department of Justice, may be made where OWCP determines that such disclosure is relevant and necessary for the purpose of providing assistance in regard to asserting a defense based upon the FECA's exclusive remedy provision to an administrative claim or to litigation filed under the Federal Tort Claims Act.

c. To other federal agencies, other government or private entities and to private-sector employers as part of rehabilitation and other return-to-work programs and services available through OWCP, where the entity is considering hiring the claimant or where otherwise necessary as part of that return-to-work effort.

d. To federal, state or private rehabilitation agencies and individuals to whom the claimant has been referred for evaluation of rehabilitation and possible reemployment.

e. To physicians, pharmacies, and other health care providers for their use in treating the claimant, in conducting an examination or preparing an evaluation on behalf of OWCP and for

other purposes relating to the medical management of the claim, including evaluation of and payment for charges for medical and related services and supplies.

f. To medical insurance or health and welfare plans (or their designees) that cover the claimant in instances where OWCP had paid for treatment of a medical condition that is not compensable under the FECA, or where a medical insurance plan or health and welfare plan has paid for treatment of a medical condition that may be compensable under the FECA, for the purpose of resolving the appropriate source of payment in such circumstances.

g. To labor unions and other voluntary employee associations from whom the claimant has requested assistance for the purpose of providing such assistance to the claimant.

h. To a federal, state or local agency for the purpose of obtaining information relevant to a determination concerning initial or continuing eligibility for FECA benefits, and for a determination concerning whether benefits have been or are being properly paid, including whether dual benefits that are prohibited under any applicable federal or state statute are being paid; and for the purpose of utilizing salary offset and debt collection procedures, including those actions required by the Debt Collection Act of 1982, to collect debts arising as a result of overpayments of FECA compensation and debts otherwise related to the payment of FECA benefits.

i. To the Internal Revenue Service (IRS) for the purpose of obtaining taxpayer mailing addresses for the purposes of locating a taxpayer to collect, compromise, or write-off a federal claim against such taxpayer; and informing the IRS of the discharge of a debt owed by an individual. Records from this system of records may be disclosed to the IRS for the purpose of offsetting a federal claim from any income tax refund that may be due to the debtor.

j. To the Occupational Safety and Health Administration (OSHA) for the purpose of using injury reports filed by Federal agencies pursuant to the FECA to fulfill agency injury reporting requirements. Information in this system of records may be disclosed to OSHA by employing agencies as part of any MIS system established under OSHA regulations to monitor health and safety.

k. To contractors providing services to DOL or any other federal agency or any other individual or entity specified in any of these routine uses or in the

Department's General Prefatory Statement who require the data to perform the services that they have contracted to perform, provided that those services are consistent with the routine use for which the information was disclosed to the contracting entity. Should such a disclosure be made to the contractor, the individual or entity making such disclosure shall insure that the contractor complies fully with all Privacy Act provisions, including those prohibiting unlawful disclosure of such information.

l. To the Defense Manpower Data Center—Department of Defense and the United States Postal Service to conduct computer matching programs for the purpose of identifying and locating individuals who are receiving Federal salaries or benefit payments and are delinquent in their repayment of debts owed to the United States under programs administered by the DOL in order to collect the debts under the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365) by voluntary repayment, or by salary or administrative offset procedures.

m. To a credit bureau for the purpose of obtaining consumer credit reports identifying the assets, liabilities, expenses, and income of a debtor in order to ascertain the debtor's ability to repay a debt incurred under the FECA, to collect the debt, or to establish a payment schedule.

n. To consumer reporting agencies as defined by section 603(f) of the Fair Credit Reporting Act (15 U.S.C. 1681a(f)) or in accordance with section 3(d)(4)(A)(ii) of the Federal Claims Collection Act of 1966 as amended (31 U.S.C. 3711(f)) for the purpose of encouraging the repayment of an overdue debt, the amount, status and history of overdue debts, the name and address, taxpayer identification (SSN), and other information necessary to establish the identity of a debtor, the agency and program under which the claim arose, may be disclosed pursuant to 5 U.S.C. 552a(b)(12)

o. To a Member of Congress or to a Congressional staff member in response to an inquiry made by an individual seeking assistance who is the subject of the record being disclosed for the purpose of providing such assistance.

territory or possession of the United States, or the District of Columbia or to an order of a State agency authorized to issue income withholding notices pursuant to State or local law or pursuant to the requirements of section 666(b) of title 42, United States Code, or for the purpose of denying the existence of funds subject to such legal obligation.

Note: Disclosure of information contained in this system of records to the subject of the record, a person who is duly authorized to act on his or her behalf, or to others to whom disclosure is authorized by these routine uses, may be made over the telephone or by electronic means. Disclosure over the telephone or by electronic means will only be done where the requestor provides appropriate identifying information. POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Paper case files are maintained in manual files, while security case files are in locked cabinets. Automated data, including case files that have been transformed into electronic form, are stored in computer discs or magnetic tapes, which are stored in cabinets. Microfiche is stored in cabinets.

RETRIEVABILITY:

Files and automated data are retrieved after identification by coded file number and/or Social Security Number which is cross-referenced to employee by name, employing establishment, and date and nature of injury. Since the electronic

case management files were created in 1975, these electronic files are located in District Offices which have jurisdiction over the claim, and (as noted above under "system location"), a complete central data base is maintained at the location of the contractor. Prior to 1975, a paper index file was maintained; these records were transferred to microfiche and are located in the national office.

SAFEGUARDS:

Files and automated data are maintained under supervision of OWCP personnel during normal working hours—only authorized personnel, with the appropriate password, may handle, retrieve, or disclose any information contained therein. Only personnel having an appropriate security clearance may handle or process security files. After normal working hours, security files are kept in locked cabinets. Access to electronic records is controlled by password or other user identification code.

RETENTION AND DISPOSAL:

All case files and automated data pertaining to a claim are destroyed 15 years after the case file has become inactive. Case files that have been scanned to create electronic copies are destroyed after the copies are verified. Automated data is retained in its most current form only, however, and as information is updated, outdated information is deleted. Some related financial records are retained only in electronic form, and destroyed 6 years and 3 months after creation or receipt.

DOL/OASAM-7

SYSTEM NAME:

Employee Medical File System Records (not job related).

SECURITY CLASSIFICATION:

None.

SYSTEM LOCATION:

For current employees, records are located in a health unit or dispensary of the Federal Occupational Health (FOH), U.S. Public Health Service, Department of Health and Human Services, or in a health unit or dispensary of another Federal or private sector entity which provides health services, under an interagency agreement or other contractual arrangement, to DOL employees. Medical records maintained by one of the latter entities may be considered the property of the entity providing care to the DOL employee; however, records maintained by FOH are considered the property of DOL.

For former employees, most records will be located in an Employee Medical

Folder (EMF) stored at the National Personnel Records Center operated by the National Archives and Records Administration (NARA). Agencies may retain some records on former employees for a limited time.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Individuals covered are those of the following who have received voluntary employee health services provided by the agency under the authority of 5 U.S.C. 7901:

a. Current and former DOL employees as defined in 5 U.S.C. 2105.

b. DOL contract employees and other visitors (including minors and employees of other Federal agencies) who may have received emergency care from the health unit or dispensary.

CATEGORIES OF RECORDS IN THE SYSTEM:

This system is comprised of records developed as a result of the provision of voluntary employee health services offered by the agency under the authority of 5 U.S.C. 7901. These records contain the following information:

Note: Listed below are other types of medical records which are *not* covered by this system of records. Rather, they are covered by a government-wide system of records (OPM/GOVT-10), which is managed by the U.S. Office of Personnel Management (OPM), even though the records are not in OPM's physical custody. The routine uses of such records are defined in the Privacy Act Notice for OPM/GOVT-10. Such records include:

(1). Medical records, forms, and reports completed or obtained when an individual applies for a Federal job and is subsequently employed;

(3). Records pertaining to and resulting from the testing of the employee for use of illegal drugs under Executive Order 12564. Such records

may be retained by the agency (e.g., by the agency Medical Review Official) or by a contractor laboratory. This includes records of negative results, confirmed or unconfirmed positive test results, and documents related to the reasons for testing or other aspects of test results;

(4). Reports of on-the-job injuries and medical records, forms, and reports generated as a result of the filing of a claim for Workers Compensation, whether the claim is accepted or not. (The official compensation claim file is not covered by the OPM system; rather, it is part of DOL's Office of Workers Compensation Program (OWCP) system of records.)

(5). All other medical records, forms, and reports created on an employee during his/her period of employment, including any retained on a temporary basis and those designated for long-term retention (i.e., those retained for the entire duration of Federal service and for some period of time after), except that, records maintained by an agency dispensary are included in this system of records only when they are the result of a condition of employment or related to an on-the-job occurrence including, for example, records of the specialized health services made available to investigative personnel of the Wage-Hour Division, under interagency agreement between PHS and DOL's Employment Standards Administration.

f. To a federal, state or local agency for the purpose of obtaining information relevant to a determination concerning initial or continuing eligibility for EEOICPA benefits, and for a determination concerning whether benefits have been or are being properly paid, including whether dual benefits that are prohibited under any applicable federal or state statute are being paid; and for the purpose of utilizing salary offset and debt collection procedures, including those actions required by the Debt Collection Act of 1982, to collect debts arising as a result of overpayments of EEOICPA compensation and debts otherwise related to the payment of EEOICPA benefits.

SYSTEM MANAGER(S) AND ADDRESS:

Assistant Inspector General for Investigations and the Assistant Inspector General for Communications,

Inspections, and Evaluations, Office of Inspector General, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC 20210.

NOTIFICATION PROCEDURE:

Inquiries concerning this system of records can be directed to: Disclosure Officer, Office of Inspector General, U.S. Department of Labor, Room S1303, 200 Constitution Avenue, NW, Washington, DC 20210. Inquiries must comply with the requirements in 29 CFR part 71.

CONTESTING RECORD PROCEDURES:

Individuals desiring to contest or amend information maintained in the system should direct their request to the Disclosure Officer listed in "Notification Procedure," above.

In addition, the request should state clearly and concisely what information is being contested, the reasons for contesting it, and the proposed amendment to the information sought. See 29 CFR part 71.

RECORD SOURCE CATEGORIES:

The information contained in this system is received from individual complaints, witnesses, interviews conducted during investigations, Federal, state and local government records, individual or company records, claim and payment files, employer medical records, insurance records, court records, articles from publications, published financial data, corporate information, bank information, telephone data, insurers, service providers, other law enforcement organizations, grantees, subgrantees, contractors and subcontractors.

SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:

The Secretary of Labor has promulgated regulations which exempt information contained in this system of records from various provisions of the Privacy Act depending upon the purpose for which the information was gathered and for which it will be used. The various law enforcement purposes and the reasons for the exemptions are as follows:

(a) *Criminal Law Enforcement:* In accordance with 5 U.S.C. 552a(j)(2) information compiled for this purpose is exempt from all of the provisions of the Act except the following sections: (b), (c)(1) and (2), (e)(4) (A) through (F), (e)(6), (7), (9), (10), and (11), and (i).

This material is exempt because the disclosure and other requirements of the Act would substantially compromise the efficacy and integrity of OIG operations in a number of ways. Indeed, disclosure of even the existence of these files would be problematic. Disclosure could enable suspects to take action to prevent detection of criminal activities, conceal evidence, or escape prosecution. Required disclosure of information contained in this system could lead to the intimidation of, or harm to, informants, witnesses and their respective families or OIG personnel and their families. Disclosure could invade the privacy of individuals other than subjects and disclose their identity when confidentiality was promised or impliedly promised to them. Disclosure could interfere with the integrity of information which would otherwise be privileged, (*see, e.g.,* 5 U.S.C. 552(b)(5)), and which could interfere with other important law enforcement concerns: (*see, e.g.,* 5 U.S.C. 552 (b)(7)).

The requirement that only relevant and necessary information be included in a criminal investigative file is contrary to investigative practice which requires a full and complete inquiry and exhaustion of all potential sources of information. See, 5 U.S.C. 552a(e)(1).

Similarly, maintaining only those records which are accurate, relevant, timely and complete and which assure fairness in a determination is contrary to established investigative techniques. See, 5 U.S.C. 552a(e)(5). Requiring investigators to obtain information to the greatest extent practicable directly from the subject individual would be counterproductive to performance of clandestine criminal investigation. See, U.S.C. 552a(e)(2). Finally, providing notice to an individual interviewed of the authority of the interviewer, the purpose to which the information provided may be used, the routine uses of that information and the effect upon the individual should he/she choose not to provide the information sought could discourage the free flow of information in a criminal law enforcement inquiry. 5 U.S.C. 552a(e)(3).

(b) *Other Law Enforcement:* In accordance with 5 U.S.C. 552a(k)(2), investigatory material compiled for law enforcement purposes (to the extent it is not already exempted by 5 U.S.C. 552a(j)(2)), is exempted from the following provisions of the ACT: (c)(3), (d), (e)(1), (e)(4)(G), (H) and (I), and (f). This material is exempt because the disclosure and other requirements of the Act could substantially compromise the efficacy and integrity of OIG operations. Disclosure could invade the privacy of other individuals and disclose their

identity when they were expressly promised confidentiality. Disclosure could interfere with the integrity of information which would otherwise be subject to privileges, *see, e.g.,* 5 U.S.C. 552(b)(5), and which could interfere with other important law enforcement concerns. *See, e.g.,* 5 U.S.C. 552(b)(7).

(c) *Protective Services:* In accordance with 5 U.S.C. 552(k)(3) investigatory material maintained in connection with assisting the U.S. Secret Service to provide protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056 is exempt from the following sections of the ACT: (c)(3), (d), (e)(1), (e)(4)(G), (H) and (I), and (f). This material is exempt in order to enable the OIG to continue its support of the Secret Service without compromising the effectiveness of either agency's activities.

(d) *Contract Investigations:* In accordance with 5 U.S.C. 552a(k)(5), investigatory material compiled solely for the purpose of determining integrity, suitability, eligibility, qualifications, or employment for a DOL contract is exempt from the following sections of the ACT: (c)(3), (d), (e)(1), (e)(4)(G), (H), (I) and (f). This exemption was obtained in order to protect from disclosure the identity of a confidential source when an express promise of confidentiality has been given in order to obtain information from sources who would otherwise be unwilling to provide necessary information.

SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:

The Secretary of Labor has promulgated regulations which exempt information contained in this system of records from various provisions of the Privacy Act depending upon the purpose for which the information was gathered and for which it will be used. The various law enforcement purposes and the reasons for the exemptions are as follow:

(a) *Criminal Law Enforcement:* Information compiled for this purpose is exempt from all of the provisions of the Act except the following sections: (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i). This material is exempt because the disclosure and other requirements of the Act would substantially compromise the efficacy and integrity of OIG operations in a number of ways. Indeed, disclosure of even the existence of these files would be problematic.

Disclosure could enable suspects to take action to prevent detection of criminal activities, conceal evidence, or escape prosecution. Required disclosure of information contained in this system could lead to the intimidation of, or harm to, informants, witnesses and their respective families or OIG personnel and their families.

Disclosure could invade the privacy of individuals other than subjects and disclose their identity when confidentiality was promised to them. Disclosures from these files could interfere with the integrity of other information which would otherwise be privileged, *see, e.g.*, 5 U.S.C. 552(b)(5) and which could interfere with other important law enforcement concerns, *see, e.g.*, 5 U.S.C. 552(b)(7).

The requirement that only relevant and necessary information be included in a criminal investigative file is contrary to good investigative practices which require a full and complete inquiry and exhaustion of all potential sources of information. 5 U.S.C. 552a(e)(1). Similarly, maintaining only those records which are accurate, relevant, timely and complete and which assure fairness in a determination is contrary to established investigative techniques. 5 U.S.C. 552a(e)(5). Requiring investigators to obtain information to the greatest extent practicable directly from the subject individual would be counterproductive to performance of a clandestine criminal investigation. 5 U.S.C. 552a(e)(2). Finally, providing notice to an individual interviewed of the authority

of the interviewer, the purpose to which the information provided may be used, the routine uses of that information and the effect upon the individual should he choose not to provide the information sought could discourage the free flow of information in a criminal law enforcement inquiry. 5 U.S.C. 552a(e)(3).

(b) *Other Law Enforcement:* In accordance with 5 U.S.C. 552a(k)(2), investigatory material compiled for law enforcement purposes (to the extent it is not already exempted by 5 U.S.C. 552a(j)(2)), is exempted from the following provisions of the Act: (c)(3), (d), (e)(1), (e)(4)(G), (H), (I) and (f). This material is exempt because the disclosure and other requirements of the act could substantially compromise the efficacy and integrity of OIG operations. Disclosure could invade the privacy of other individuals and disclose their identity when they were expressly promised confidentiality.

Disclosure could interfere with the integrity of information which would otherwise be subject to privileges, *see, e.g.*, 5 U.S.C. 552(b)(5), and which could interfere with other important law enforcement concerns. *See, e.g.*, 5 U.S.C. 552(b)(7).

SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:

The Secretary of Labor has promulgated regulations which exempt information contained in this system of records from various provisions of the Privacy Act depending upon the purpose for which the information was gathered and for which it will be used.

The various law enforcement purposes and the reasons for the exemptions are as follow:

(a) *Criminal Law Enforcement:* Information compiled for this purpose is exempt from all of the provisions of the Act except the following sections: (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i). This material is exempt because the disclosure and other requirements of the Act would substantially compromise the efficacy and integrity of OIG operations in a number of ways. Indeed, disclosure of even the existence of these files would be problematic. Disclosure could enable suspects to take action to prevent detection of criminal activities, conceal evidence, or escape prosecution.

Required disclosure of information contained in this system could lead to the intimidation of, or harm to, informants, witnesses and their respective families or OIG personnel and their families.

Disclosure could invade the privacy of individuals other than subjects and disclose their identity when confidentiality was promised to them. Disclosures from these files could interfere with the integrity of other information which would otherwise be privileged, *see, e.g.*, 5 U.S.C. 552(b)(5), and which could interfere with other

important law enforcement concerns, *see, e.g.*, 5 U.S.C. 552(b)(7).

The requirement that only relevant and necessary information be included in a criminal investigative file is contrary to good investigative practices which require a full and complete inquiry and exhaustion of all potential sources of information. 5 U.S.C. 552a(e)(1). Similarly, maintaining only those records which are accurate, relevant, timely and complete and which assure fairness in a determination is contrary to established investigative techniques.

5 U.S.C. 552a(e)(5). Requiring investigators to obtain information to the greatest extent practicable directly from the subject individual would be counterproductive to performance of a clandestine criminal investigation. 5 U.S.C. 552a(e)(2). (b) *Other Law Enforcement*: In accordance with 5 U.S.C. 552a(k)(2), investigatory material compiled for law enforcement purposes (to the extent it is not already exempted by 5 U.S.C. 552a(j)(2)), is exempted from the following provisions of the ACT: (c)(3), (d), (e)(1), (e)(4)(G), (H), and (I), and (f). This material is exempt because the disclosure and other requirements of the Act could substantially compromise the efficacy and integrity of OIG operations. Disclosure could invade the privacy of other individuals and disclose their identity when they were expressly promised confidentiality. Disclosure could interfere with the integrity of information which would otherwise be subject to privileges, *see, e.g.*, 5 U.S.C. 552(b)(5), and which could interfere with other important law enforcement concerns. *See, e.g.*, 5 U.S.C. 552(b)(7).

(c) *Protective Services*: In accordance with 5 U.S.C. 552a(k)(3) investigatory material maintained in connection with assisting the U.S. Secret Service to provide protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056 is exempt from the following section of the ACT: (c)(3), (d), (e)(1), (e)(4)(G), (H), and (I), and (f). This material is exempt in order to enable the OIG to continue its support of the Secret Service without compromising the effectiveness of either agency's activities.

(d) *Contract Investigations*: In accordance with 5 U.S.C. 552a(k)(5), investigatory material compiled solely for the purpose of determining integrity, suitability, eligibility, or qualifications for a DOL contract is exempt from the following sections of the ACT: (c)(3), (d), (e)(1), (e)(4)(G), (H), and (I) and (f). This exemption was obtained in order to protect from disclosure the identity of a confidential source when an express promise of confidentiality has been given in order to obtain information from sources who would otherwise be unwilling to provide necessary information.
