The USNA will change the fees charged for riding its tram service, use of the grounds and facilities, as well as for commercial photography and cinematography. **ADDRESSES:** Address all comments to Thomas S. Elias, Director, U.S. National Arboretum, Beltsville Area, Agricultural Research Service, 3501 New York Avenue, NE., Washington, DC 20002.

#### SUPPLEMENTARY INFORMATION:

#### Classification

This proposed rule has been reviewed under Executive Order 12866, and it has been determined that it is not a "significant regulatory action" rule

because it will not have an annual effect on the economy of \$100 million or more or adversely and materially affect a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or Tribal governments or communities. This proposed rule will not create any serious inconsistencies or otherwise interfere with actions taken or planned by another agency. It will not materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof, and does not raise novel legal or policy issues arising out of legal mandates, the President's priorities, or principles set forth in Executive Order 12866.

#### Regulatory Flexibility Act

The Department of Agriculture certifies that this rule will not have a significant impact on a substantial number of small entities as defined in the Regulatory Flexibility Act, Pub. L. 96-354, as amended (5 U.S.C. 601, *et seq.*).

#### Paperwork Reduction Act

In accordance with the Office of Management and Budget (OMB) regulations (5 CFR part 1320) which implement the Paperwork Reduction Act of 1995 Pub. L. No. 104-13, as amended (44 U.S.C. chapter 35), the information collection and recordkeeping requirements that have been imposed in the management of these programs have been approved by OMB (OMB #0518-0024).

**Title:** Collection of information regarding the use of facilities or the performance of photography/cinematography at the U.S. National Arboretum.

**Summary:** The purpose of this collection of information is to collect, either orally or by use of a form, basic information from persons who request to use space at the USNA for which a user fee shall be charged. Use of space includes not only the use of physical space for events, but also the use of the grounds of the USNA for commercial photography and cinematography purposes. Information to be collected will include the name, address, and telephone numbers of the party requesting use of the USNA space, the date and time that the party is requesting to use the space, the purpose for which the space will be used, the

number of people expected at the event for which the space is to be used, any requirements for setup of the space that the USNA will be expected to provide, and the signature of the individual responsible for requesting space on behalf of a party.

**Need for the Information:** The information is needed for USNA to administer the scheduling of space usage and to keep records of parties accountable for use of USNA property.

**Respondents:** Respondents to the collection of information will be those persons or organizations that request use of the USNA facility or grounds. Each respondent will have to furnish the information for each space usage request. The USNA expects to receive approximately 220 requests for use of space per year.

**Estimate of burden:** The estimated burden on respondents for each space usage request is .25 hours. The total annual reporting and record keeping burden on respondents will be minimal.

#### Background

Section 890(b) of the Federal Agriculture Improvement and Reform Act of 1996, Pub. L. 104-127 (1996 Act), expands the authorities of the Secretary of Agriculture to charge reasonable fees for the use of USNA facilities and grounds as well as to enter into a concession agreement for the provision of food services on the grounds. These new authorities include the ability to charge fees for temporary use by individuals or groups of USNA facilities and grounds in furtherance of the mission of the USNA. Also, authority is provided to charge fees for the use of the USNA for commercial photography and cinematography. All rules and regulations noted in 7 CFR part 500, subpart A, Conduct on U.S. National Arboretum Property, will apply to individuals or groups granted approval to use the facilities and grounds.

#### Fee Schedule for Tours

The USNA operates a 48-passenger tram (which accommodates 2 wheelchairs) to provide mobile tours throughout the USNA grounds. The proposed rule changes the fee to be charged to all riders as well as the amount to be charged for pre-scheduled group tram tours. Additionally, a fee is proposed for providing tour guides for pre-scheduled non-tram tours. Fee amounts were determined after a survey

of similar services provided by other Arboreta and Botanical Gardens and an analysis of costs associated with the program. Fees generated will be used to offset costs or for the purposes of promoting the mission of the USNA.

*Fee Schedule for Use of Facilities and Grounds*

The USNA proposes to change the fees for temporary use by individuals or groups of USNA facilities and grounds. The proposed fees have been established based on actual costs (i.e., electricity, heating, water, maintenance, security, scheduling, etc.). Facilities and grounds are available by reservation at the discretion of the USNA and may be available to individuals or groups in furtherance of the mission of the USNA. Agency initiatives may be granted first priority. Reservation requests should be made as far in advance of the need as possible to ensure consideration.

*Fee Schedule for Use of Facilities and Grounds for Purposes of Photography or Cinematography*

The USNA proposes to change the fee for the use of the facility or grounds for purposes of commercial photography or cinematography. The proposed fees have been established based on comparable opportunities provided by other Arboreta and Botanical Gardens across the nation. Facilities and grounds are available for use for commercial photography or cinematography at the discretion of the USNA Director. Requests for use should be made a minimum of two weeks in advance of required date. The USNA does not intend to charge fees to the press for photography or cinematography related to stories concerning the USNA and its mission or for other noncommercial, First Amendment activity.

*Payment Submission Requirements*

Payment for use of the tram will be made by cash or money order (in U.S. funds) and is due at the time of ticket purchase. Payment for pre-scheduled tram tours should be made at least two weeks in advance and may be made by cash or check. Payment for tour guides for pre-scheduled, non-tram tours should be made at least two weeks in advance and may be made by cash or

check. Fee payments for use of facilities or grounds or for photography and cinematography must be made in advance of services being rendered. These payments are to be made in the form of a check or money order. Checks and money orders are to be made payable, in U.S. funds, to the U.S. National Arboretum. The USNA will provide receipts to requestors for their records or billing purposes.

*Food Services*

The USNA proposes to enter into a concession agreement for the provision of food services on the facility. Snacks and small food items will be available for visitors to purchase at established commercial prices. Box lunches may be pre-arranged with the concessionaire for a set fee.
