

the Tariff and Operating Agreement that encompass both PJM and PJM West, which will take effect on April 1, 2002. PJM states that, except for certain conforming changes, typographical errors, and other minor changes, all of the submitted changes previously have been filed with the Commission, and have either been approved or are awaiting Commission action.

Allegheny Power System (Allegheny) joins in the filing, as to the Tariff sheets that contain Allegheny's rates, and asks that the Commission make such rates effective April 1, 2002, subject to refund.

Copies of this filing have been served on all PJM Members and the state electric regulatory commissions in the PJM control area and Allegheny service area.

*Comment Date:* April 29, 2002.

### Standard Paragraph

E. Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with rules 211 and 214 of the Commission's rules of practice and procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

## DEPARTMENT OF ENERGY

### Southeastern Power Administration

#### Proposed Rate Adjustment for the Jim Woodruff Project

**AGENCY:** Southeastern Power Administration, DOE.

**ACTION:** Notice of public hearing and opportunities for review and comment.

**SUMMARY:** Southeastern Power Administration (Southeastern) proposes new rate schedules JW-1-G and JW-2-D to replace Wholesale Power Rate Schedules JW-1-F and JW-2-C for a three-year period from September 20, 2002 to September 19, 2005. Rate schedule JW-1-G is applicable to Southeastern power sold to existing preference customers in the Florida Power Corporation Service area. Rate schedule JW-2-D is applicable to Florida Power Corporation.

Opportunities will be available for interested persons to review the present rates, the supporting studies and to participate in a hearing and to submit written comments. Southeastern will evaluate all comments received in this process.

**DATES:** Written comments are due on or before July 10, 2002. A public information and public comment forum will be held at the Doubletree Hotel Tallahassee, in Tallahassee, Florida, at 10:00 a.m. on May 16, 2002. Persons desiring to speak at the forum must notify Southeastern at least seven (7) days before the forum is scheduled so that a list of forum participants can be prepared. Others present may speak if time permits. Persons desiring to attend the forum should notify Southeastern at least seven (7) days before the forum is scheduled. If Southeastern has not been notified by close of business on May 9, 2002, that at least one person intends to be present at the forum, the forum will be canceled with no further notice.

**ADDRESSES:** Written comments should be submitted to: Charles Borchardt, Administrator, Southeastern Power Administration, Department of Energy, 1166 Athens Tech Road, Elberton, Georgia 30635-6711. The public comment Forum will meet at the Doubletree Hotel Tallahassee, 101 South Adams Street, Tallahassee, Florida, Phone (850) 224-5000.

**FOR FURTHER INFORMATION CONTACT:** Leon Jourolmon, Assistant Administrator, Finance and Marketing Division, Southeastern Power Administration, Department of Energy, 1166 Athens Tech Road, Elberton, Georgia 30635-6711, (706)213-3800.

**SUPPLEMENTARY INFORMATION:** Existing rate schedules are supported by a May 2000 Repayment Study and other supporting data contained in FERC Docket No. EF00-3031-000. A repayment study prepared in March 2002 shows that the existing rates are not adequate to meet repayment criteria. A revised repayment study with a

revenue increase of \$331,000, or 5.7 percent, demonstrates that all costs are paid within their repayment life. The increase is primarily due to purchased power expenses associated with the rehabilitation of the project. Southeastern is proposing to raise rates to recover this additional \$331,000.

In the proposed rate schedule JW-1-G, which is available to preference customers, the capacity charge has been raised from \$5.51 per kilowatt per month to \$5.79 per kilowatt per month. The energy charge has been increased from 15.46 mills per kilowatt-hour to 16.25 mills per kilowatt-hour. Rate schedule JW-2-D, available to Florida Power Corporation, raises the rate from 63 percent of the Company's fuel cost to 70 percent of the Company's fuel cost.

The studies are available for examination at 1166 Athens Tech Road, Elberton, Georgia, 30635-6711, as is the 2000 repayment study and the proposed Rate Schedules.

Dated: March 27, 2002.

## ENVIRONMENTAL PROTECTION AGENCY

[OR-01-006; FRL-7169-9]

### Adequacy Status of the State Implementation Plan Revision for Carbon Monoxide in the Medford Urban Growth Boundary, Medford, Oregon

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of adequacy determination.

**SUMMARY:** In this notice, EPA is notifying the public that we have found that the motor vehicle emissions budget submitted in the Revised Maintenance Plan for the Moderate Carbon Monoxide Maintenance Area for Medford, Oregon adequate for conformity purposes. On March 2, 1999, the D.C. Circuit Court ruled that submitted SIPs cannot be used for conformity determinations until EPA has affirmatively found them adequate. As a result of our finding, the Rogue Valley Council of Governments, Oregon Department of Transportation, and the U.S. Department of Transportation are required to use the motor vehicle emissions budget in this submitted maintenance plan for future transportation conformity determinations.

**DATES:** This finding is effective April 26, 2002.

**FOR FURTHER INFORMATION CONTACT:** The finding will be available at EPA's conformity website: <http://www.epa.gov/oms/traq>, (once there, click on the "Conformity" button, then look for "Adequacy Review of SIP Submissions for Conformity"). You may also contact Wayne Elson, U.S. EPA, Region 10 (OAQ-107), 1200 Sixth Ave, Seattle WA 98101; (206) 553-1463 or [elson.wayne@epa.gov](mailto:elson.wayne@epa.gov).

**SUPPLEMENTARY INFORMATION:** Today's notice is simply an announcement of a finding that we have already made. EPA Region 10 sent a letter to The Oregon Department of Environmental Quality on March 21, 2002, stating that the motor vehicle emissions budget in the State Implementation Plan Revision for Carbon Monoxide in the Medford Urban Growth Boundary, Medford, Oregon is adequate.

Transportation conformity is required by section 176(c) of the Clean Air Act. EPA's conformity rule requires that transportation plans, programs, and projects conform to state air quality implementation plans (SIPs) and establishes the criteria and procedures for determining whether or not they do. Conformity to a SIP means that transportation activities will not produce new air quality violations, worsen existing violations, or delay timely attainment of the national ambient air quality standards.

The criteria by which we determine whether a SIP's motor vehicle emission budget is adequate for conformity purposes are outlined in 40 CFR 93.118(e)(4). Please note that an adequacy review is separate from EPA's completeness review.

We have described our process for determining the adequacy of submitted SIP budgets in guidance (May 14, 1999 memo titled "Conformity Guidance on Implementation of March 2, 1999 Conformity Court Decision"). We followed this guidance in making our adequacy determination.

**Authority:** 42 U.S.C. 7401-7671q.

Dated: March 30, 2002.

**Ronald Kreizenbeck,**

*Acting Regional Administrator, Region 10.*

## **ENVIRONMENTAL PROTECTION AGENCY**

[OPT-2002-0008; FRL-6832-2]

### **Certain New Chemicals; Receipt and Status Information**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** Section 5 of the Toxic Substances Control Act (TSCA) requires any person who intends to manufacture (defined by statute to include import) a new chemical (i.e., a chemical not on the TSCA Inventory) to notify EPA and comply with the statutory provisions pertaining to the manufacture of new chemicals. Under sections 5(d)(2) and 5(d)(3) of TSCA, EPA is required to publish a notice of receipt of a premanufacture notice (PMN) or an application for a test marketing exemption (TME), and to publish periodic status reports on the chemicals under review and the receipt of notices of commencement to manufacture those chemicals. This status report, which covers the period from March 1, 2002 to March 15, 2002, consists of the PMNs pending or expired, and the notices of commencement to manufacture a new chemical that the Agency has received under TSCA section 5 during this time period. The "S" and "G" that precede the chemical names denote whether the chemical identity is specific or generic.

**DATES:** Comments identified by the docket control number OPT-2002-0008 and the specific PMN number, must be received on or before May 13, 2002.

**ADDRESSES:** Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit I. of the **SUPPLEMENTARY INFORMATION.** To ensure proper receipt by EPA, it is imperative that you identify docket control number OPT-2002-0008 and the specific PMN number in the subject line on the first page of your response.

**FOR FURTHER INFORMATION CONTACT:** Barbara Cunningham, Acting Director, Environmental Assistance Division, Office of Pollution Prevention and Toxics (7408M), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460; telephone number: (202) 554-1404; e-mail address: [TSCA-Hotline@epa.gov](mailto:TSCA-Hotline@epa.gov).

#### **SUPPLEMENTARY INFORMATION:**

##### **I. General Information**

###### *A. Does this Action Apply to Me?*

This action is directed to the public in general. As such, the Agency has not

attempted to describe the specific entities that this action may apply to. Although others may be affected, this action applies directly to the submitter of the premanufacture notices addressed in the action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT.**

###### *B. How Can I Get Additional Information, Including Copies of this Document and Other Related Documents?*

1. *Electronically.* You may obtain copies of this document and certain other available documents from the EPA Internet Home Page at <http://www.epa.gov/>. On the Home Page select "Laws and Regulations"; Regulations and Proposed Rules, and then look up the entry for this document under the "Federal Register—Environmental Documents." You can also go directly to the **Federal Register** listings at <http://www.epa.gov/fedrgstr/>.

2. *In person.* The Agency has established an official record for this action under docket control number OPT-2002-0008. The official record consists of the documents specifically referenced in this action, any public comments received during an applicable comment period, and other information related to this action, including any information claimed as confidential business information (CBI). This official record includes the documents that are physically located in the docket, as well as the documents that are referenced in those documents. The public version of the official record does not include any information claimed as CBI. The public version of the official record, which includes printed, paper versions of any electronic comments submitted during an applicable comment period, any test data submitted by the Manufacturer/Importer is available for inspection in the TSCA Nonconfidential Information Center, North East Mall Rm. B-607, Waterside Mall, 401 M St., SW., Washington, DC. The Center is open from noon to 4 p.m., Monday through Friday, excluding legal holidays. The telephone number of the Center is (202) 260-7099.

###### *C. How and to Whom Do I Submit Comments?*

You may submit comments through the mail, in person, or electronically. To ensure proper receipt by EPA, it is imperative that you identify docket control number OPT-2002-0008 and the specific PMN number in the subject line on the first page of your response.
