SUPPLEMENTARY INFORMATION: The Trademark Manual of Examining Procedure (TMEP) is a reference work that sets forth the practices and procedures that are followed in connection with the prosecution of applications to register marks at the USPTO. In the past, the USPTO has provided the text of the TMEP to the Government Printing Office (GPO) for paper publication, distribution and sale. The USPTO, as well as private practitioners and others, bought copies of the TMEP from the GPO. The GPO also provided deposit copies to libraries through its Federal Depository Library Program.

Currently, the TMEP is available on the Internet at the USPTO Web site (<http://www.uspto.gov>), and is also provided in paper and DVD-ROM formats. The USPTO hereby announces its intention to disseminate all future editions of the TMEP solely in electronic form. Electronic distribution of the TMEP will enable the USPTO to provide more frequent updates of the TMEP, thereby benefiting external and internal customers. Additionally, electronic dissemination will result in substantial cost savings.

A Federal agency that disseminates information electronically must do so in a manner consistent with guidelines set forth in OMB Circular A-130. Dissemination of the TMEP solely in electronic format is consistent with those guidelines.

The guidelines require that “[a] change to electronic dissemination, as
