SUPPLEMENTARY INFORMATION:

Background

The Final Regulation that is the subject of this amendment implemented changes to the Domestic Volunteer Service Act of 1973, as amended, and established or clarified minimum program requirements. The following changes to the Final Regulation are being proposed:

(1) Section 2551.23 (c) (2) (iv) provides that the Memorandum of Understanding between a sponsor and a volunteer station must contain an assurance that the volunteer station will not discriminate against Foster Grandparents or in the operation of its station. Executive Order 13166 issued August 11, 2000, requires that each Federal agency develop a plan to improve access to its programs by eligible persons who, as a result of national origin, are limited in their English proficiency. The intent of the proposed amendment is to improve access of persons with limited English proficiency.

(2) Section 2551.42 (b) provides that annual income is counted for the past 12 months. As currently worded, this applies to new applicants to the program as well as those who continue in service. However, in the case of new applicants to become stipended Senior Companions, the Corporation intends that sponsors use the applicant's projected income over the following 12 months to determine eligibility. This proposed amendment would permit additional recent retirees, or others whose household income has been reduced within the past 12 months, to serve as Senior Companions.

(3) Section 2551.51 provides that a Senior Companion must serve a minimum of nine months a year for an average of 20 hours of service per week and a maximum of 1044 hours per year. The proposed amendment would allow Senior Companion Program sponsors increased flexibility in determining the hours of service for Senior Companions in accordance with local needs, within a range of from 15 to 40 hours per week, subject to a maximum of 2088 hours per year.

(4) Section 2551.61 details conditions under which a Senior Companion Program sponsor may serve as a volunteer station. The Corporation believes these conditions should be expanded. Since each sponsor currently submits workplans with its grant application for approval by the Corporation State Office, the Corporation believes the review of these workplans provides sufficient basis for deciding the appropriateness of a given

sponsor serving as a volunteer station. The proposed amendment would permit a sponsor to serve as a volunteer station provided that this is part of a workplan submitted with the application.

(5) When the Final Regulation was published, in an effort to be consistent with Foster Grandparent Program Regulations, we did not include provision for volunteer leaders. The Domestic Volunteer Service Act of 1973, as amended, authorizes volunteer leaders in the Senior Companion Program. Sections 2551.45, 2551.71 and 2551.72 are being amended to include volunteer leaders.
