

4. If the petitioner provides any other acceptable proof of re-exportation or destruction, then the claim will be regularized upon payment of \$100.

5. Small dollar value carnets. If the assessed amount for breach of a carnet is \$100 or less (including carnets for zero duties), the claim still must be assessed. It is possible, based upon the type of proof of re-exportation or destruction provided, that payment of a regularization fee in excess of the assessed liquidated damages amount could occur. Unlike other liquidated damages claims, the amount of the bond does not limit liability for payment of the regularization fee, which is a fee for service. (See section F. below)

D. Partial Re-exportation or Destruction

1. In any situation where partial re-exportation or destruction occurs, if that re-exportation or destruction occurs within the carnet period and proof of re-exportation or destruction other than an unconditional discharge by a Customs officer is provided, Customs will collect a regularization fee with regard to that portion of merchandise for which adequate proof of re-exportation or destruction is provided.

2. If the partial re-exportation or destruction occurs beyond the carnet period, mitigation may be afforded (see Section E. below).

3. Full liquidated damages will be charged on that portion of the merchandise for which neither proof of re-exportation or destruction is provided. Partial liquidated damages and a regularization fee could be collected in closure of the same carnet.

4. If a re-exportation counterfoil showing an unconditional discharge as to part of a shipment of merchandise is provided timely, no collection will be made as to that merchandise.

E. Late Re-exportation

1. If merchandise is re-exported (or destroyed) after the one-year period and a re-exportation counterfoil indicating unconditional discharge by a Customs officer is provided timely, the claim shall be cancelled without payment.

2. If merchandise is re-exported (or destroyed) 180 days or more after the expiration of the carnet period and a re-exportation counterfoil indicating an unconditional discharge by a Customs officer is not provided, no relief from the claim shall be afforded.

3. If merchandise is re-exported (or destroyed) more than 90 days but less than 180 days after the expiration of the carnet period and adequate proof of re-exportation or destruction other than a re-exportation counterfoil with an unconditional discharge by a Customs

officer is provided, the claim for liquidated damages may be cancelled upon payment of 50 percent of the liquidated damages assessed amount but not less than \$100.

4. If merchandise is re-exported (or destroyed) 90 days or less after the expiration of the carnet period and adequate proof of re-exportation or destruction other than an exportation counterfoil with an unconditional discharge by a Customs officer is provided, the claim for liquidated damages may be cancelled upon payment of 25 percent of the claim but not less than \$50.

F. Late Re-exportation of Duty Free and Zero Duty Merchandise

1. If merchandise is duty free or has a zero duty rate, claims for liquidated damages should still be assessed.

2. Claims for duty free and zero duty carnets will be processed in accordance with these guidelines.

G. Issuance of Claims

1. If a claim is received by the USCIB after the one-year period has expired, the claim will not be pursued.

2. Claims issued by Customs more than 30 days prior to the end of the one-year period will be presumed to be timely.

3. Claims should be issued by Customs as promptly as possible after discovery.
