

species, including a number of threatened pinnepeds. Recognizing their ecological importance, the Secretary of the Interior designated these islands, rocks, exposed reefs, and pinnacles as the "California Islands Wildlife Sanctuary" on April 11, 1983 (Public Land Order 6369). On February 5, 1990, the BLM designated these islands, rocks, exposed reefs, and pinnacles an Area of Critical Environmental Concern pursuant to the Federal Land Policy and Management Act of 1976 (FLPMA, 43 U.S.C. 1701 *et seq.*). While the BLM retains legal responsibility for the Sanctuary, the State of California's Department of Fish and Game currently handles day-to-day management under a 2000 Memorandum of Understanding (MOU).

Notice of intent to Prepare a Resource Management Plan (RMP)

AGENCY: Bureau of Land Management, San Juan Public Lands Center, Canyons of the Ancients National Monument, Dolores, Colorado, Interior.

ACTION: Notice of Intent to prepare a Resource Management Plan (RMP) for the Canyons of the Ancients National Monument, designated June 9, 2000. This action will require a single Environmental Impact Statement (EIS). These lands are located in Montezuma and Dolores Counties, Colorado.

SUMMARY: This document provides notice that the Bureau of Land Management (BLM) intends to prepare an RMP with an associated EIS for the Canyons of the Ancients National Monument. This planning activity encompasses approximately 164,000 acres of public land. The plan will fulfill the needs and obligations set forth by the National Environmental Policy Act (NEPA), the Federal Land Policy and Management Act (FLPMA), the monument proclamation, and BLM management policies. The BLM will work collaboratively with interested parties to identify the management decisions that are best suited to local, regional, and national needs and concerns. The public scoping process will identify planning issues and

develop planning criteria, including an evaluation of the existing RMP in the context of the needs and interests of the public and protection of the objects of historic and scientific interest specified in the proclamation.

DATES: The publication of this notice initiates the public scoping comment process. Formal scoping will last a minimum of 60 days. Comments on issues and planning criteria can be submitted in writing to the address listed below. All public meetings will be announced through the local news media, newsletters, and the BLM web site (www.co.blm.gov/canm/index.html) at least 15 days prior to the event.

The minutes and list of attendees for each meeting will be available to the public and open for 30 days to any participant who wishes to clarify the views they expressed.

Public Participation: Public meetings will be held throughout the plan scoping and preparation period. In order to ensure local community participation and input, public meeting locations will be rotated between the towns of Cortez and Durango, Colorado. Early participation is encouraged and will help determine the future management of the Canyons of the Ancients National Monument. In addition to the ongoing public participation process, formal opportunities for public participation will be provided through comment on the alternatives and upon publication of the BLM draft RMP/EIS. In addition, written comments will be accepted throughout the entire planning process.

ADDRESSES: Written comments should be sent to Canyons of the Ancients Planning, Bureau of Land Management, Anasazi Heritage Center, 27501 Highway 184, Dolores, Colorado 81323; Colorado_CANM@co.blm.gov; Fax 970.882.7035. Documents pertinent to this proposal may be examined at the Anasazi Heritage Center, located 3 miles west of Dolores, Colorado. Comments, including names and street addresses of respondents, will be available for public review at the Anasazi Heritage Center, during regular business hours 9 a.m. to 5 p.m., Monday through Friday, except holidays, and may be published as part of the EIS. Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of

organizations or businesses, will be available for public inspection in their entirety.

FOR FURTHER INFORMATION CONTACT: For further information and/or to have your name added to our mailing list, contact Gary Thrash, Telephone 970.385.1371, or Marilynn Eastin, Telephone 970.882.4811, or Colorado_CANM@co.blm.gov.

SUPPLEMENTARY INFORMATION: The creation of the Canyons of the Ancients National Monument along with the changing needs and interests of the public necessitates a completion of a new RMP for the monument. This action will require a single EIS with one Record of Decision (ROD). Preliminary issues and management concerns have been identified by BLM personnel, other agencies, individuals and user groups, and by the Southwest Resource Advisory Council in public meetings held prior to monument designation. They represent the BLM's knowledge to date on the existing issues and concerns with current management. The major issue themes that will be addressed in the plan include, but are not limited to: preservation of cultural and natural resources; balancing multiple uses such as recreation, livestock grazing, energy development, traditional and Native American activities; integrating monument management with community, tribal, and other agency needs; visitor services; and access and transportation on the public lands.

After gathering public comments on what issues the plan should address, the suggested issues will be placed in one of three categories:

1. Issues to be resolved in the plan;
2. Issues resolved through policy or administrative action; or
3. Issues beyond the scope of this plan.

Rationale will be provided in the plan for each issue placed in category two or three. In addition to these major issues, a number of management questions and concerns will be addressed in the plan. The public is encouraged to help identify these questions and concerns during the scoping phase. An interdisciplinary approach will be used to develop the plan in order to consider the variety of resource issues and concerns identified. Disciplines involved in the planning process will include specialists with expertise in archaeology, paleontology, rangeland management, minerals and geology, outdoor recreation, wilderness, wildlife, lands and realty, hydrology, ecology, fire, geographic information systems, sociology, and economics. Where

necessary, outside expertise may be used.

Background Information: On June 9, 2000, the President signed Proclamation 7317, creating the Canyons of the Ancients National Monument. The monument encompasses approximately 164,000 acres of public lands in Montezuma and Dolores Counties, Colorado, borders the State of Utah and the Navajo Reservation to the west, and the Ute Mountain Ute Reservation is located to the south. The National Park Service, Hovenweep National Monument, manages 400 acres inside the boundaries of Canyons of the Ancients National Monument. Mesa Verde National Park is 12 miles east of Canyons of the Ancients National Monument.

The San Juan/San Miguel RMP completed in 1985 encompassed the monument (Anasazi ACEC at that time) and has been amended four times. Two of these amendments affected management within the area now designated as Canyons of the Ancients National Monument: an amendment for Oil and Gas Leasing and Development (1991) and an amendment to implement the Standards for Public Land Health and Guidelines for Livestock Grazing Management (1997).

Information from the existing plan and amendments may be incorporated into this plan.

LouAnn Jacobson,

Canyons of the Ancients National Monument Manager.

Carrizo Plain National Monument

AGENCY: Bureau of Land Management; Bakersfield Field Office.

ACTION: Notice of Intent to (1) prepare a Resource Management Plan (RMP) for the Carrizo Plain National Monument, designated January 17, 2001, and (2) amend the Caliente RMP, approved on May 5, 1997. This action will require a single Environmental Assessment (EA). The planning area is located in San Luis Obispo, Santa Barbara, and Kern Counties, in California.

SUMMARY: This document provides notice that the Bureau of Land Management (BLM) intends to prepare an RMP and RMP amendment with an associated EA for the Bakersfield Field

Office. This planning activity encompasses approximately 204,000 acres of public land. The plan will fulfill the needs and obligations set forth by the National Environmental Policy Act (NEPA), the Federal Land Policy and Management Act (FLPMA), the monument proclamation, and BLM management policies. The Carrizo Plain National Monument RMP will be created by combining the existing Carrizo Plain Natural Area Management Plan with pertinent decisions within the Caliente RMP, and amending those decisions as needed to bring them into conformance with the monument proclamation. Those decisions within the Caliente RMP that pertain only to Carrizo will then be removed from the Caliente RMP by amendment. Both the Caliente RMP and the Carrizo Plain Natural Area Management Plan were prepared by the BLM in collaboration with a broad cross-section of interested parties. The BLM will again work collaboratively with interested parties to review the management decisions that are best suited to local, regional, and national needs and concerns. The environmental review process includes an evaluation of the pertinent RMP decisions in the context of the needs and interests of the public and protection of the objects of historic and scientific interest specified in the proclamation.

DATES: This notice initiates the planning process. General scoping will last a minimum of 60 days. The Draft Carrizo RMP and Draft Caliente RMP Amendment/EA are expected to be completed in December 2002. A Notice of Availability will be published in the **Federal Register**, beginning a 60 day public comment period. Public meetings will be held during the 60 day comment period. A decision on the Carrizo Plain National Monument RMP and Caliente RMP Plan Amendment is expected by May 2003.

ADDRESSES: Written comments should be sent to Carrizo Plain National Monument RMP, Bureau of Land Management, Bakersfield Field Office, 3801 Pegasus Drive, Bakersfield, California 93308; Fax 661 391-6040. Documents pertinent to this proposal may be examined at the Bakersfield Field Office located in Bakersfield, California. Comments, including names and street addresses of respondents, will be available for public review at the Bakersfield Field Office during regular business hours 7:30 a.m. to 4:15 p.m., Monday through Friday, except holidays, and may be published as part of the EA. Individual respondents may request confidentiality. If you wish to

withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety.

FOR FURTHER INFORMATION: For further information and/or to have your name added to our mailing list, contact Chris Ryan, Telephone 661 391-6107.

SUPPLEMENTARY INFORMATION: The Carrizo Plain National Monument is currently managed under the recently completed Carrizo Plain Natural Area Management Plan and the Caliente RMP. Together, these existing plans provide a comprehensive management program which is believed to be appropriate for the new monument. While BLM will review this existing management program in light of current issues associated with the new monument, a full scale planning effort is not considered necessary. However, BLM will evaluate any public comments as to the adequacy of the existing management program prior to making a final determination on the scope of the monument plan and related NEPA document. (1) The new Carrizo RMP will be comprised of those goals, decisions, and allocations within the Caliente RMP that pertain to the Carrizo Plain National Monument, combined with the primary goals and decisions identified within the Carrizo Plain Natural Area Management Plan. Activity plan direction from the Carrizo Plain Natural Area Management Plan will be carried forward and appended to the Carrizo Plain National Monument RMP. Modification of existing land use planning decisions is not anticipated except where necessary to conform to the monument proclamation. (2) The Caliente RMP will be amended by removing those decisions and allocations that pertain only to public lands within the Carrizo Plain National Monument, and clarifying that the remaining direction excludes the monument from that point forward. This will eliminate any overlap and potential conflict between the two land use plans.

Public Participation: Public meetings will be held during the EA public comment period. In order to ensure local community participation and input, public meeting locations will be rotated among the towns of San Luis
