**Authority:** Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

On April 24, 2002, under Section 204 of the Agricultural Act of 1956, the Government of the United States requested consultations with the Government of Belarus with respect to women's and girls' wool coats in Category 435 and women's and girls' wool slacks, breeches and shorts in Category 448, produced or manufactured in Belarus.

The purpose of this notice is to advise the public that, if no solution is agreed upon in consultations with the Government of Belarus, the Government of the United States reserves its right to establish a twelve-month limit for the period beginning on April 24, 2002, and extending through April 23, 2003, of not less than 55,021 dozen for Category 435 and not less than 23,595 dozen for Category 448 for the entry and withdrawal from warehouse for consumption of textile products in these categories, produced or manufactured in Belarus.

Anyone wishing to comment or provide data or information on imports from Belarus in Categories 435 and 448 is invited to submit 10 copies of such comments or information to James C. Leonard III, Chairman, Committee for the Implementation of Textile Agreements, U.S. Department of

Commerce, Washington, DC 20230; ATTN: Becky Geiger. The comments received will be considered in the context of the consultations with the Government of Belarus.

Because the exact timing of the consultations is not yet certain, comments should be submitted promptly. Further comments may be invited regarding particular commentary or information received from the public which the Committee for the Implementation of Textile Agreements considers appropriate for further consideration.

This solicitation of comments is not a waiver in any respect of the exemption contained in 5 U.S.C. 553(a)(1) relating to matters which constitute "a foreign affairs function of the United States."

The United States remains committed to finding a solution concerning these categories. Should such a solution be reached in consultations with the Government of Belarus, further notice will be published in the **Federal Register**.

A description of the textile and apparel categories in terms of HTS numbers is available in the **CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States** (see **Federal Register** notice 66 FR 65178, published on December 18, 2001). *Chairman, Committee for the Implementation of Textile Agreements.*

#### Statement of Support for the Request for Consultations With Belarus Pursuant to Section 204 of the Agricultural Act of 1956 Regarding Women's and Girls' Wool Coats, Category 435 Imports

Category 435 imports from Belarus are undermining the implementation of the World Trade Organization (WTO) Agreement on Textiles and Clothing (ATC).
