SUMMARY: In accordance with the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), 42 U.S.C. 9601 *et seq.*, and by order of the United States Bankruptcy Court for the District of Oregon, notice is hereby given of a proposed Settlement Agreement concerning the Taylor Lumber & Treating National Priorities List Superfund Site. The proposed Settlement Agreement would resolve claims of the United States under sections 106 and 107(a) of CERCLA, 42 U.S.C. 9606 and 9607(a), and section 3008(h) of the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. 6928(h), against Taylor Lumber & Treating, Inc. EPA will receive \$500,000 in cash from the proceeds of the sale of the Taylor Lumber treating plant, which will be placed in a special account for use at the Site. EPA may also receive

additional payments if the total amount of funds in the bankruptcy estate available for distribution to general unsecured creditors other than EPA is greater than \$350,000. EPA will release its liens on Taylor Lumber's real property and will grant covenants not to sue to the company and its bankruptcy estate.

Because of the schedule in the bankruptcy proceeding, the Bankruptcy Court has ordered a fourteen-day period for public comments. For fourteen calendar days following the date of publication of this notice, EPA will accept written comments relating to the proposed Settlement Agreement.
