Invenergy Energy Marketing LLC; Notice of Issuance of Order

April 25, 2002.

Invenergy Energy Marketing LLC (Invenergy Marketing) submitted for filing an initial rate schedule under which Invenergy Marketing will engage in the sale of capacity, energy, replacement reserves, and ancillary services at market-based rates, and for the authority to reassign transmission rights and to resell firm transmission rights. Invenergy Marketing also requested waiver of various Commission regulations. In particular, Invenergy Marketing requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Invenergy Marketing.

On April 16, 2002, pursuant to delegated authority, the Director, Office of Markets, Tariffs and Rates-Central, granted requests for blanket approval under part 34, subject to the following:

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Invenergy Marketing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Invenergy Marketing is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Invenergy Marketing, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Invenergy Marketing's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is May 16, 2002.
